Catholics and Evangelicals for the Common Good Ronald J. Sider, Dr. John Borelli, 2018-11-07 For centuries evangelical Protestants and Catholics have hurled harsh epithets at each other But that has changed dramatically in the last forty years In 1960 many prominent evangelicals opposed John Kennedy for president because he was a Catholic Today Catholics and evangelicals work together on many issues of public policy This book records one important process in this transformation In 2004 the board of The National Association of Evangelicals NAE the largest representative body of evangelicals in the US unanimously approved *For the Health of the Nation* as the official public policy document for its public policy efforts representing 30 million evangelicals When scholars read this new ground breaking document they quickly realized there was widespread agreement between the NAE s official public policy document and the official public policy positions of American Catholics The result was a series of annual meetings held at Georgetown University and Eastern University that brought together prominent Catholic and Evangelical scholars and public policy specialists to explore the extent of the common ground This book reports on that dialogue and its contribution to the

SDB Moloney, 2015-04-14 Internationally respected scholar Francis Moloney offers a Catholic introduction to the New Testament that shows how to read it both faithfully and critically The opening chapter and an epilogue directly address the theological requirements of and historical challenges for ecclesial reading The remaining chapters give exemplary readings of the figure of Jesus and of the various divisions of the New Testament canon Conceived as a resource for religious educators deacons and other ministers in the Catholic Church this book will serve Catholics and others as an ideal supplement to a conventional New Testament introduction or as a companion to reading the New Testament itself **Walk with Jesus Christ, the Truth Iv' 2008 Ed.(maturing in Jesus Christ) , Growing in Faith** Mitch Pacwa, 2014-08-22 Faith is born of an encounter with the living God who calls us and reveals his love a love which precedes us and upon which we can lean for security and for building our lives Pope Francis Lumen Fidei Fr Mitch Pacwa has a God given talent for taking vast topics like faith honing in on the things that will truly make a difference in our lives and presenting these truths in an accessible way Fr Mitch Pacwa's groundbreaking bible study The Year of Faith A Bible Study Guide for Catholics has now been updated to include reflections on faith by Pope Francis In Growing in Faith A Bible Study Guide for Catholics Fr Pacwa uses themes and reflections of Pope Francis to illuminate each of the six sessions in which readers will understand faith as it relates to our relationship with Christ what we profess as Catholics and the ultimate goal of evangelization It is this light of faith that I would now like to consider so that it can grow and enlighten the present becoming a star to brighten the horizon of our journey at a time when mankind is particularly in need of light Pope Francis Lumen Fidei
