In fact DP Review awarded the camera its highest ever score in its camera class and called it one of the best photographers cameras on the market and probably the best zoom compact ever made. In this concise guide Panasonic LUMIX Luminary Rob Knight shares his real world experience with the LX100. And much more. Rob also discusses the coolest and best features of the LX100 that truly make a difference in how you use the camera, such as back button focus, the pros and cons of electronic vs mechanical shutter, how to customize the camera so it feels like you have a kit bag of prime lenses rather than a continuous zoom, and using external flash.
