This third volume in the series contains 7 essays on John Calvin and his thought It includes a chapter on his view of origins several studies on hermeneutics and method essays on rights liberty and resistance along with an essay on Calvin and the family concluding with a number of assessment of his work and influence Evangelical Calvinism Myk Habets, Bobby Grow, 2012-06-08 In this exciting volume new and emerging voices join senior Reformed scholars in presenting a coherent and impassioned articulation of Calvinism for today s world Evangelical Calvinism represents a mood within current Reformed theology The various contributors are in different ways articulating that mood of which their very diversity is a significant element In attempting to outline features of an Evangelical Calvinism a number of the contributors compare and contrast this approach with that of Federal Calvinism currently dominant in North American Reformed theology challenging the assumption that Federal Calvinism is the only possible expression of orthodox Reformed theology This book does not however represent the arrival of a new Calvinism or even a neo Calvinism if by those terms are meant a novel reading of the Reformed faith An Evangelical Calvinism highlights a Calvinistic tradition that has developed particularly within Scotland but is not unique to the Scots The editors have picked up the baton passed on by John Calvin Karl Barth Thomas Torrance and others in order to offer the family of Reformed theologies a reinvigorated theological and spiritual ethos. This volume promises to set the agenda for Reformed Calvinist discussion for some time to come Essays on Being Reformed Dirkie Smit, 2009-12-01 What does it mean to be Reformed Christians in the world today and in Africa and South Africa What does it mean to commemorate the legacy of John Calvin 1509 1564 after 500 years in a modern world characterised by democracy by popular notions of human dignity and human rights by worldwide struggles for individual freedoms and for social justice by a global economy in crisis when social historians argue about the lasting contribution of Calvin and his followers precisely with respect to all these modern phenomena The 28 essays by Dirkie Smit selected for this volume deal with such questions Poverty in the Theology of John Calvin Bonnie L. Pattison, 2006-11-01 It is the thesis of this study that in Calvin's theology

poverty and affliction not splendor and glory mark and manifest the kingdom of God on earth Poverty makes the kingdom visible to the eyes and therefore recognizable as divine Poverty acts to reveal or disclose that which is spiritual or that which is of God in the Christian faith This does not mean that Calvin sees the condition of physical poverty as revelatory in and of itself Rather poverty and affliction function as agents of divine revelation They are a condition or a chosen instrument God uses to disclose to humanity the nature of true spirituality godliness and poverty of spirit How this is demonstrated in Calvin s thought depends upon the specific doctrine under examination This study explores three particular areas in Calvin s theology where his theological understanding of spiritual poverty and physical poverty or affliction intersect his Christology his doctrine of the Christian life and his ecclesiology Union with Christ Sung Rual Choi, 2023-11-13 Understanding union with Christ as a frame of thought as a motif or theme is important for accessing Calvin's theology While the union with Christ doctrine arises when Calvin explains the doctrine itself directly especially in light of soteriology the strong presence of this motif union with Christ union with the Triune God indicates its pervasiveness when other doctrines or theological themes are explained as well This book suggests that we approach the notion of union of Christ as a theological frame of thought that touches on most of the doctrines and theological themes of Calvin's theology This book deals with union with Christ as a motif or theme rather than as a doctrine The History and Character of Calvinism J.T. McNeill, 1967-12-31 A comprehensive history of the Calvinist movement Essays on the Life and Work of John Calvin ,1909 Essays on Law and Social Practice in South Africa Hugh Corder,1988 The Presbyterian Churches James Moffatt, 1928 An Essay on **the Economic Effects of the Reformation** George Augustine Thomas O'Brien,1923 **Living Justification** Jonathan R. Huggins, 2013-10-24 This book is a historical theological study of the Reformed doctrine of Justification After providing a brief history of the doctrine the work focuses on analyzing the writings of John Calvin Jonathan Edwards and N T Wright to discern points of development continuity and discontinuity within the Reformed tradition itself Drawing upon their works this book argues for a living theological practice and identity for those who work to formulate Reformed Doctrine **Dictionary** of Ethics, Theology and Society Paul A. B. Clarke, Andrew Linzey, 2013-11-05 This Dictionary provides a unique and groundbreaking survey of both the historical and contemporary interrelations between ethics theology and society In over 250 separately authored entries a selection of the world's leading scholars from many disciplines and many denominations present their own views on a wide range of topics Arranged alphabetically entries cover all aspects of philosophy theology ethics economics politics and government Each entry includes a concise definition of the term a description of the principal ideas behind it analysis of its history development and contemporary relevance a detailed bibliography giving the major sources in the field The entire field is prefaced by an editorial introduction outlining its scope and diversity Selected entries include Animal Rights Capital Punishment Communism Domestic Violence Ethics Evil Government Homophobia Humanism Liberation Theology Politics Pornography Racism Sexism Society Vivisection Women's Ordination John Calvin, Myth

and Reality Amy N. Burnett, 2011-05-11 The chapters in this volume were originally presented as papers at the 2009 colloquium of the Calvin Studies Society held to mark the five hundredth anniversary of John Calvin's birth They offer a fresh evaluation of Calvin's ideas and achievements and describe how others from his contemporaries to the present have responded to or built upon the Calvinist heritage This book dispels popular misperceptions about Calvin and Calvinism allowing readers to make a more accurate assessment of Calvin's importance as a theologian and historical figure Contributions address areas in which Calvin's legacy has been most controversial or misunderstood such as his attitude toward women his advocacy of church discipline and his understanding of predestination These essays also give a nuanced picture of the impact of Calvinism by taking account of both the positive and negative reactions to it from the early modern period to the present Part 1 Calvin The Man and His Work Part 2 Appeal of and Responses to Calvinism Part 3 The Impact of We Believe in the Holy Spirit Henco van der Westhuizen, 2023-07-07 We Believe in the Holy Spirit is a Calvin s Ideas collection of articles reflecting some of the most important ideas in pneumatology in recent years Although the articles were not written to fit the articles of the Nicene Creed 381 linking these articles to the articles of the creed sheds imaginative light on the development of ideas in theologies of the Spirit Some Tendencies in British Theology from the Publication of Lux Mundi to the Present Day John Kenneth Mozley,1951 Homo Florens? Nadia Marais, 2023-10-09 What does it mean to flourish Human flourishing lies at the heart of the good news of the gospel and yet contemporary theologies know not only one way of speaking about what it means to flourish If we embed our theological grammars of flourishing in the doctrine of salvation as the doctrine in which theological flourishing talk is arguably rooted and from which rich fruit may be borne there is not one but various ways in which to speak about what it means to flourish Yet what governs our speaking Why do we speak of flourishing as we do The various conceptions of human flourishing that are outlined in this book piety joy and comfort being fully alive healing and dignity grace happiness and blessing represent a collection of attempts not only to imagine human flourishing but also to imagine ways of speaking about human flourishing Perhaps what theology could offer to the vibrant and robust conversations on human flourishing lies exactly in the reminder to take care about how we speak about that which is truly and deeply human our longing to flourish Calvinism and the Political Order George Laird Hunt, 1965 Should the church get into politics Calvinism has always been explicitly concerned with civil matters always regarded political indifference as a mark not of superior piety but of defective ethics If there is to be a Christian political philosophy for our century it may well be based on the legacy of the Calvinist tradition This important book presents that heritage in its historic movement through many stages from Calvin himself down to its representation in Woodrow Wilson These essays originated as The Woodrow Wilson Lectures on church and state presented by outstanding American historians under the auspices of the National Presbyterian Church and Center BOOK JACKET Faith and Philosophy Henry Boynton Smith.1877 Catalogue of the Library of the Boston Athenaeum ,1874
