Official Guide to Undergraduate and Graduate Nursing Programs, **Policy & Politics in Nursing and Health Care - E-Book** Diana J. Mason, 2011-02-08 Featuring analysis of healthcare issues and first person stories Policy Politics in Nursing and Health Care helps you develop skills in influencing policy in today's changing health care environment

Approximately 150 expert contributors present a wide range of topics in policies and politics providing a more complete background than can be found in any other policy textbook on the market. Discussions include the latest updates on conflict management, health economics, lobbying, the use of media, and working with communities for change. With these insights and strategies, you will be prepared to play a leadership role in the four spheres in which nurses are politically active: the workplace, government, professional organizations, and the community. Comprehensive coverage of healthcare policies and politics provides a broader understanding of nursing leadership and political activism, as well as complex business and financial issues. Expert authors make up a virtual Nursing Who's Who in healthcare, policy sharing information and personal perspectives gained in the crafting of healthcare policy. Taking Action essays include personal accounts of how nurses have participated in politics and what they have accomplished. Winner of several American Journal of Nursing Book of the Year awards, 18 new chapters ensure that you have the most up-to-date information on policy and politics. The latest information and perspectives are provided by nursing leaders who influenced health care reform with the Patient Protection and Affordable Care Act of 2010.

Official Guide to Undergraduate Nursing Schools, 2000. An NLN publication including profiles of two-year, three-year, and four-year nursing schools.
