Through My Eyes..The Past Comes Calling AJ, 2010-09-30 My name is AJ. I live in Toronto, Canada. On February 18, 1996, Michael J. Hummel drugged me with GHB, kidnapped me, and then Gregg A. Tippet and he raped me and almost killed me. I believed I was not their only victim, and I refused to stay silent. After their pictures were exposed in the national media, over 30 women came forth with similar horror stories with them. In effect, my mission became to put them behind bars and stop them from victimizing any more women. During the botched criminal case, I hired two Florida lawyers specifically for a trial with these delinquents. I didn't trust my lawyers, therefore I taped one of them. In effect, I not only learned that they lied to the judges and me, but most critically, I discovered that the lawyers were involved in a conspiracy to set the culprits free from a trial and shift liability to State Farm insurance for 1.5 million dollars. After I paid my attorneys 85,000, they abandoned me and left me standing in the Florida courts alone, fighting their 41,000 invoice from State Farm as a result of their coerced, colluded contract. My attorneys simply raped me of my justice. I then filed a Florida Bar complaint, and the packed mentality of the legal system ignored, discarded, and neglected my undisputable smoking gun evidence, my tape. I believe the public has a right to know the factual raw truth. The lessons are: never give up on yourself and never underestimate the power of your voice.

Imagining the Afterlife in the Ancient World Juliette Harrison, 2018-09-03 Human beings have speculated about whether or not there is life after death and if so, what form that life might take for centuries. What did people in the ancient world think the next life would hold, and did they imagine there was a chance for a relationship between the living and the dead? How did people in the ancient world keep their dead loved ones alive through memory, and were they afraid the dead might return and haunt the living in another form? What sort of afterlife did the ancient Greeks and Romans imagine for themselves? This volume explores these questions and more. While individual representations of the afterlife have often been examined, few studies have taken a more general view of ideas about the afterlife circulating in the ancient world.

By drawing together current research from international scholars on archaeological evidence for afterlife belief chiefly from funerary sites together with studies of works of literature this volume provides a broader overview of ancient ideas about the afterlife than has so far been available *Imagining the Afterlife in the Ancient World* explores these key questions through a series of wide ranging studies taking in ghosts demons dreams cosmology and the mutilation of corpses along the way offering a valuable resource to those studying all aspects of death in the ancient world The Works of Samuel Johnson: The Rambler Samuel Johnson,1825 **The Rambler: The history of an adventurer in lotteries** ,1816 **The British Essayists: Rambler** James Ferguson,1823 **The Works of Samuel Johnson, LL.D.: The Rambler** Samuel Johnson,1825
