Lyle And Louise Answers:

The Joy of the Lord is My Strength Michael Soppeland, 2018-04-09 Music has been called the universal language I have found very few people who do not like some genres of it It touches all of us The appeal of music is that the human person is affected by the ideas it promotes and the emotions it evokes Words like rhythm melody harmony and color are all included in the art of music I have used music to introduce each chapter as I write my thoughts about life and all that it means This book is my own description of peace love hope and joy As a Christian I am influenced by God Scripture and my hope that all people would come to love and know God through the person of his son Jesus the Christ When the Israelites were bringing the Ark of the Covenant into Jerusalem King David commanded the chiefs of the Levites to appoint their brethren as the singers who should play loudly on musical instruments on harps and lyres and cymbals to raise sounds of joy 1 Chronicles 15 16 RSV And through the challenges of life that is why I claim Nehemiah 8 10 as the title of this work The Joy of the Lord Is My Strength
