Letting Go Linda Estes, 2018-10-16 It s hard to find time for a spiritual recharge in the morning but Linda Estes is here again to help with her mastery of the one minute devotional We like our stuff don t we We hold tight to our material things our dreams and our plans for our lives We have things all lined out in our heads and hearts Things are going along just fine and then God interrupts our stuff He asks us to let go of something or someone we love When that happens we have two choices We can either go along with God s plan or hang on to our own Sometimes God asks us to let go of things simply to help us grow in our faith walk with Him Other times He asks us to let go so that He can do what Scripture tells us in Ephesians 3 20 God wants to do far more abundantly beyond all that we ask or think Only when we are willing to let go of whatever God is asking of us can He then bless our socks off When we let God be God and surrender our stuff so He can carry out His plan for our lives that s when we really start living God s way Linda s prayer for you as you read these one minute devotions is that they will help you find the freedom and blessings in letting go These books are for everyone who wants to start their day right with God and make delightful gifts **Now That You Have Your Boaz, Are You Ready?**

Carol Payne, 2024-12-11 Do you believe in Fairy Tales Most little girls do It is something magical about the true love that is found when a maiden meets her prince In adult life we keep this dream alive desiring to meet our Boaz the man God has for us But did you ever think that he could be damaged goods with cracks in his foundation What do you do when he pushes you away not because he doesn t want you but because he feels unworthy of the love you give How do you love him past his pain God is the key that unlocks this opportunity However to get Boaz you must first be Ruth Are you even ready **Let's Go!**

Deborah J. Andrews, 2025-05-15 Let s Go Moving Forward in Faith is a modern day faith adventure This is the story of an ordinary person blessed with an out of the ordinary life because of faith in an extraordinary God How one woman with a willing heart said yes and send me With each new God given assignment Deborah J Andrews was required to dig deeper than ever before until the biggest ask of all the day she and her family were directed to leave their home and life in Canada and move to Scotland with no plans no connections and with no idea why they were being sent What ensued was nothing short of

Maya,2019-08-29 Are religious women in the United States disappearing and finally dying out Or is there any new way of religious life emerging Conversations at the Well tries to respond to this question In the twenty first century of the global world newly emerging religious life would be rooted with the Jesus Movement and develop in the spirit of collaboration networking and intercultural living As the liminal space religious life is located at the margins subverting the existing social order and creating a new vision for the world This book explores an alternative meaning of religious life within the context of the apostolic mission In this new religious life the concept of community is not limited to living as a community in the convent but extended into collaborating friendship Primarily the apostolic religious life is deeply related to social justice delinking the global capitalism in which many people suffer from human trafficking immigration and exile The new leader of religious women would require skill in handling uncertainty amplifying resources and opening to the new reality In this new religious life spirituality would be articulated as freedom and liberation to let go of the old frame as well as letting the new life become reality In this way as radical disciples religious women in the twenty first century embody the Jesus Movement building bridges between different cultures and people *Catalog of Copyright Entries* Library of Congress.
