Discover This Guide About How To Effectively Use Minimalist Techniques For Beginner's* Old Natural Ways,2021-08-30 What is minimalism At its core minimalism involves the use of only the most basic essential elements in design and art In other words minimalism involves art that utilizes the barest of essentials nothing more nothing less So what is minimalism exactly The short answer is that it s an art style entirely on a minimalist level minimalism can be viewed as an aesthetic principle or even a guiding principle for artistic creation For some artists minimalism comes easy the result is a type of art where everything is simply added to the background enhancing the piece instead of subtracting from it For others minimalism can be a difficult frustrating way to express yourself because it requires the artist to not only pay attention to the appearance of their work but also to pay attention to the subtleties of form and color Still others think of minimalism in a more philosophical way claiming it to be the foundation for all creative endeavor Regardless of how one views minimalism it s apparent that it can add tremendous value to your home When you live with minimalism in your home it allows you to appreciate the simple pleasures of life You re less stressed out have more time to enjoy family and friends and don t waste money or energy trying to make art or literature out of everyday objects Because you re living a minimalist lifestyle you re able to appreciate simple pleasures like spending time with friends going for a walk in the park or enjoying that new cookbook you picked up at the local library This allows you to live a more enjoyable less stressful life **The Joy of Minimalism** Zoey Arielle Poulsen,2018-01-15 The popular YouTuber reveals how clearing her space cleared her mind and how you can open up room for more true happiness in your life It s natural to love stuff More than that it s natural to love your stuff That notebook from eighth grade your Disney VHS tangles of costume jewelry They all have sentimental value and they all take up space Zoey Arielle Poulsen s The Joy of Minimalism is a friendly guide to embarking on a life of simplicity by a former compulsive shopper who found a new way to live By embracing minimalism you ll be saying goodbye to stress and everything that you never needed anyway Discover a greater focus and true freedom and a genuine sense of gratitude for everything and everyone around you Minimalism is more than a movement or fad it s a practice that will bring you closer to your true self The Joy of Minimalism teaches you to live better with less You ll learn how to Rediscover the freedom of owning less Embrace life and all the non material things the world has to offer Master your own personal style for organizing and decluttering Celebrate your new life with a free mind
