

IS THE MIRACLE MOVIE *A Cinderella Tale?*

Common Elements in Cinderella Stories

- **Mistreated Hero-**
 - Often the Cinderella character (male or female) is mistreated by a family or stepfamily. Often the character is given impossible chores, called horrible names, and is emotionally and/or physically abused.
- **Number Three-**
 - Many fairy tales mention the number three. There might be three chores given to the Cinderella character, three enemies, three family members, etc.
- **Transformation-**
 - The character often physically transforms (magically, however) gives Cinderella a beautiful dress, for example) and also transforms in a way in which the character gains confidence.
- **Identity Test-**
 - Often there is some sort of test to make sure that the Cinderella character is the correct person. In some Native American tales, Cinderella's identity is revealed when Cinderella can see through a magic mirror that others can't see. In the Disney Cinderella, Cinderella's identity is revealed when she tries on the shoe.
- **Rags to Riches-**
 - The character's life situation evolved from a poor situation to a rich one. The character may begin in a peasant and become a princess by the end of the story.
- **Magical Helper-** Usually animals, faeries, and even the spirits of dead people serve as helpers to the Cinderella character.
