Country Guide and Nor'west Farmer, 1928 **English Mechanic and Mirror of Science**, 1866 How to Teach Poetry Writing at Key Stage 3 Pie Corbett, 2013-10-23

How to Teach Poetry Writing at Key Stage 3 is a practical manual for teachers to be used directly in the classroom. The book begins with a series of poetry games designed to warm up creativity and strengthen the imagination. These are followed by a series of creative poetry workshops based on the writer's own experience both as a teacher and poet running workshops in schools which focus on developing a poetry base for young writers. This imaginative base provides a range of poetic techniques and gives pupils experience in developing a repertoire of different forms. The book also offers advice on how to organize an effective workshop and demonstrates how to teach poetry writing in a dynamic creative and imaginative way in relationship with the KS3 national framework. Pie Corbett also provides useful advice on working with visiting poets in school, addresses for relevant web sites, a list of books for follow up work and a glossary of poetic forms and techniques. Workshops include writing from first hand observation, autobiography, valuing our lives, writing about paintings, sculpture and music, surreal boxes and the bag of words, secrets, lies, wishes and dreams, creating images, taking word snapshots, riddles, hiding the truth and red wheelbarrows and messages for mice.

Girls' Guide to Getting It Together Amber Lindley, 2014-08-04

A brilliant new life in seven easy to follow steps. What could possibly go wrong? At twenty four Megan Riley has a boring job and a humdrum life. Then she stumbles across a magazine article called *How to Be a Confident Woman*. Her flatmate Zara thinks it's daft but Megan is certain that this list is her path to a more exciting future. Clearing the chocolate stash out of her desk and investing in good lingerie are simple enough. It's the part about asking out a guy who's way out of her league that's a disaster waiting to happen. Liam Wiseman is gorgeous, funny and totally not into Megan. It's almost enough to drive her into the arms of the successful London lawyer Megan's mum has picked out for her. Almost. As Megan strides boldly from one misadventure to the next she discovers that being a strong independent woman doesn't mean wearing an expensive bra or learning to make a chicken curry. True confidence means being herself and being herself might just result in finding love along the way.
