## **Misguided The Knox Mission 1:**

*Misguided* Jason Fort, 2014-11-05 An Egyptian holy man for the religion of Islam is assassinated and the killer leaves a gold cross as his calling card The same Christian assassin kills on US soil and it is now up to the FBI and Interpol to bring him to justice FBI Agents John Knox and Beth White team up with Interpol Inspector Malik Sharif but they are at a loss when the assassin leaves no trace of evidence at crime scenes Meanwhile the assassin is starting his own personal war with Muslims and the government he works for becomes suspicious Can a Christian FBI agent and a Muslim Interpol officer put aside their differences and perhaps even use them to track down the assassin Can Agent White battle her spiritual demons Can the agents find the killer before the media turns the case into an international religious circus Join the investigators on a journey that will remind you of the latest assassin style video game and your latest crime novel But before it's all over ask yourself is the assassin any different than you or me or is he just *Misguided* This is the first book in a series titled the Knox Mission Join John Knox and Malik Sharif in future titles This work was inspired by encouragement from friends and family and the author owes his many thanks to the people that helped make this possible Jason E Fort is a police officer for one of the largest healthcare systems in the southeast He uses his experience as a law enforcement officer bouncer teacher coach and parent to help him in writing characters that are as real as your next door neighbor Jason is happily married and has a 12 year old son who aspires to be an officer in the Air Force one day When his son was born he began toying with the idea of becoming a best selling author and this book is his first real step in that direction Misguided Love Charles

Fensham, 2019-11-01 The invitation of this book is for my readers who are Christian to consider the dimension of harm in the ongoing debates on affirming or not affirming sexual and gender minority Christians within church communities Much has been said and much is written on biblical interpretation and Christian traditions of teaching There are also many arguments on the issue of justice and equality that have been made for and against the affirmation of sexual and gender minorities Here I bring evidence of the history of harm and the infliction of harm on sexual and gender minority Christians In South Africa my country of origin I lived through the apartheid era and experienced first hand how biblical teaching can be used in pious ways to exploit discriminate and kill people Presently and in the past similar things happen to sexual and gender minority Christians When we discover that we do harm we must stop Charles Fensham **Misguided Weapons** Azriel Lorber, 2002

Technological failure results when one side in a conflict does not fully grasp the potential impact of known or even familiar weapons in the enemy's hands In most cases such failure resulted from higher officials' ignorance or their total misunderstanding of the importance and relevance of such technology and science as well as of their application to warfare Technological failure is also the root cause of technological surprise While operational surprise on the battlefield poses grave problems technological surprise is far more serious because as Azriel Lorber explains it often leads to disasters on the battlefield and is more difficult to recover from In too many cases technological failure and surprise stem from all too human

characteristics such as self satisfaction disdain for the adversary obtuseness and conservatism Because these traits show no evidence of disappearing political decision makers and military commanders should be aware that technological failure and technological surprise could happen at any time

*The Heart of Torah, Volume 1* Shai Held, 2017-09-01 In *The Heart of Torah* Rabbi Shai Held's Torah essays two for each weekly portion open new horizons in Jewish biblical commentary Held probes the portions in bold original and provocative ways He mines Talmud and midrashim great writers of world literature and astute commentators of other religious backgrounds to ponder fundamental questions about God human nature and what it means to be a religious person in the modern world Along the way he illuminates the centrality of empathy in Jewish ethics the predominance of divine love in Jewish theology the primacy of gratitude and generosity and God's summoning of each of us with all our limitations into the dignity of a covenantal relationship

*Mission as Penance* Charles J. Fensham, 2023-05-03 *Mission as Penance* explores the posture of Christian mission in Canada while also uncovering the theological roots that gave birth to the sense of cultural and religious superiority that led to profound harm to others and to God's creation The story begins by an examination of Johan Bavinck's famous 1954 claim that mission is thus the penance of the church which is ashamed before God and man By drawing on his work through forty years in theological education and pastoral ministry Fensham prescribes a pathway that liberates the church from power games numerical growth and preoccupation with programs and technology to focus instead on genuine listening solidarity and love in action True penance is never satisfied with passivity nor should it result in a state of paralysis For a posture of humble penance to be fruitful it must lead toward concerted action toward change advocacy for justice compassion for the marginalized and care for creation If mission in Canada is engaged in this way the Christian faith might cease to do harm and build a new life giving community of healing

**Life This Side of Heaven** Richard Wenden, 2024-06-03 Where else would you rather be For many people today particularly in affluent lifestyle driven beachside suburbs that is their mantra and being at church and following Jesus is perhaps the furthest thing from their minds As Christians grapple with how to bring the good news to an increasingly hedonistic and apathetic post Christian culture this book shows where we find ourselves culturally discusses why that is and suggests some ways forward including how we might reorder people's disordered loves fostering a faithful presence in our spheres of influence and seeking ways to connect meaningfully All this is a way of

assisting churches in their particular cultural contexts to move from an attractional mode of thinking about ministry and church life to a mindset that enables them to carry out effective gospel ministry to their community and underlying subcultures The author hopes it will be a help for churches that have historically struggled to be missionally focused serving as an encouragement in reconsidering their approach to ministry planning so they might have a significant gospel based long term impact on individual church members and the community life of the church to bring blessing to their suburbs gospel growth to churches and glory to God *Christian Nation* ,1923 **Sacrifice, Brotherhood, and the Body** Patrick McMurray,2021-06-24 Sacrifice Brotherhood and the Body Abraham and the Nations in Romans radically reassesses Paul s use of sacrificial language in light of new developments in our understanding of sacrifice particularly with regard to its construction of kinship groups Patrick McMurray argues that Jesus death is not presented in sacrificial terms within Romans rather Paul s key invocation of sacrifice comes in 12 1 as applied to the living sacrifice of the gentiles Here Paul s pairing of sacrifice with brotherhood builds on his earlier discussion of the Abrahamic lineage and brotherhood with Christ with this familial membership being ratified and delivered by the living sacrifice of the gentiles themselves As such the ethnic and familial function of sacrifice is harnessed by Paul to bring God s promise to Abraham to fruition with the gentiles entering the Abrahamic lineage alongside their new brothers the Israelites Notably the promise explicitly requires plurality and therefore ethnic variegation within Abraham s lineage This new familial membership is profoundly transformative the consequent influx of the spirit empowering the gentiles to live new lives of love that will fulfill the law 13 8 10 In Romans therefore Christ frees the gentiles and then becomes their brother facilitating their entry into Abraham s lineage thereby bringing the promise to fruition and fulfilling the law **Resources in Education** ,1986-10 *Armor* ,2009 The magazine of mobile warfare *Atonement, Justice, and Peace* Darrin W. Snyder Belousek,2012 In this substantial study Darrin W Snyder Belousek offers a comprehensive and critical examination of penal substitution the most widely accepted evangelical Protestant theory of atonement and presents a biblically grounded theologically orthodox alternative Attending to all of the relevant biblical texts and engaging with the full spectrum of scholarship Belousek systematically develops a biblical theory of atonement that centers on restorative rather than retributive justice He also shows how Christian thinking on atonement correlates with major global concerns such as economic justice capital punishment the war on terror and ethnic and religious conflicts Thorough and clearly structured this book demonstrates how a return to biblical cruciformity can radically transform Christian mission social justice and peacemaking *Feasting on the Gospels--Matthew, Volume 1* Cynthia A. Jarvis,E. Elizabeth Johnson,2013-01-01 Feasting on the Gospels is a new seven volume series that follows up on the success of the Feasting on the Word series to provide another unique preaching resource this time on the most prominent and preached upon New Testament books the four Gospels With contributions from a diverse and respected group of scholars and pastors Feasting on the Gospels will include completely new material that covers every single passage in the New

Testament Gospels making it suitable for both lectionary and non lectionary use Moreover these volumes will incorporate the unique format of Feasting on the Word with four perspectives for preachers to choose from for each Gospel passage theological pastoral exegetical and homiletical Feasting on the Gospels will provide a special resource for all who preach either continuously or occasionally on the Gospels

The Heart of Torah Shai Held,2017 Shai Held is one of the most important teachers of Torah in his generation Rabbi David Wolpe author of David The Divided Heart In The Heart of Torah Rabbi Shai Held s Torah essays two for each weekly portion open new horizons in Jewish biblical commentary Held probes the portions in bold original and provocative ways He mines Talmud and midrashim great writers of world literature and astute commentators of other religious backgrounds to ponder fundamental questions about God human nature and what it means to be a religious person in the modern world Along the way he illuminates the centrality of empathy in Jewish ethics the predominance of divine love in Jewish theology the primacy of gratitude and generosity and God s summoning of each of us with all our limitations into the dignity of a covenantal relationship

**The Levites and the Boundaries of Israelite Identity** Mark Leuchter,2017-06-01 At a glance the Hebrew Bible presents the Levites as a group of ritual assistants and subordinates in Israel s cult A closer look however reveals a far more complicated history behind the emergence of this group in Ancient Israel A careful reconsideration of the sources provides new insights into the origins of the Levites their social function and location and the development of traditions that grew around them The social location and self perception of the Levites evolved alongside the network of clans and tribes that grew into a monarchic society and alongside the struggle to define religious and social identity in the face of foreign cultures This book proposes new ways to see not only how these changes affected Levite self perception but also the manner in which this perception affected larger trends as Israelite religion evolved into nascent Judaism By consulting the textual record archaeological evidence the study of cultural memory and social scientific models Mark Leuchter demonstrates that the Levites emerge as boundary markers and boundary makers in the definition of what it meant to be part of Israel

Herod the Fox John A. Darr,1998-01-01 In foregrounding the themes of witnessing seeing and hearing and recognition Luke urges readers to reflect on their own hearing reading of his story to become certain kinds of readers and to read in particular ways So the need for a reader oriented methodology in interpreting Luke Acts is evident But what is the best theory to deploy Charting a path through the thickets of modern literary theory Darr develops a new reader oriented model insisting that the original extratext the repertoire of literary and social conventions of Luke Acts and not simply the text itself should be taken into account in any critical evaluation of how this story works To demonstrate this new hermeneutical model Darr undertakes an extensive study of Lukan characterization and especially his portrayal of Herod the Tetrarch

Paul and Economics Thomas R. Blanton IV,Raymond Pickett,2017-06-15 The social context of Paul s mission and congregations has been the study of intense investigation for decades but only in recent years have questions of economic realities and the relationship between rich and poor come to the forefront In Paul

and Economics leading scholars address a variety of topics in contemporary discussion including an overview of the Roman economy the economic profile of Paul and of his communities and stratification within them architectural considerations regarding where they met food and drink idol meat and the Lord's Supper material conditions of urban poverty patronage slavery travel gender and status the collection for Jerusalem and the role of Marxist theory and the question of political economy in Paul scholarship      *Cumulated Index Medicus* ,1993      **Paul, Apostle of Liberty** Richard N.

Longenecker,2015-11-15 Paul's teachings are vital to the Christian gospel so the turbulent long running debate over how to interpret Paul's message is crucially important Richard Longenecker's Paul Apostle of Liberty has long stood and still stands as a significant constructive evangelical study of Paul's theology especially of the creative tension between law and liberty that runs throughout his thought When this book was originally published in 1964 Longenecker then presciently anticipated several subsequent debates addressing many of the same questions that such scholars as E P Sanders and Richard Hays did years later This second edition of Paul Apostle of Liberty includes a substantial foreword by Douglas Campbell and a lengthy addendum by Longenecker discussing the major developments in Paul studies over the past fifty years
