Reflections of Love and Loathing M. R. Gutierrez, 2014-01-30 On a hot June day Liliana a brilliant young woman of Native American Hispanic and Anglo Saxon heritage is irresistibly drawn to a cowboy despondently leaning on his truck on the side of the highway as she drives home to Grants *Reflections of Love and Loathing* takes place in New Mexico where Liliana loses her loving parents when she is five Secret resources enable her abusive alcoholic grandmother Carla to keep her so Liliana is forced to live with the persistent stalking of a serial pedophile Joe who is her great grandfather When Terry sees her recklessly cross the highway to come to his aid he begins the wild ride into Liliana's life After meeting Carla and Joe he has his doubts about being with Liliana but soon he realizes that love binds him to her After driving Terry to his destination in Texas Liliana learns that Carla has accused her of killing Joe and flees in panic She wakes to find herself broken and alone her truck wrecked in a deep arroyo Only her love for Terry gives her the strength

to fight for survival in the flashflood that threatens to finish her off and only Terry's mysterious link to her allows him to find and rescue her. While she lies broken in the hospital, Terry learns of the perversions and misuse of power that maintained multigenerational sexual abuse that destroyed the lives of three generations of women and dominated Liliana's life with Carla. Then begins Liliana's true challenge. As her body heals, she will have to rise above the emotional damage caused by Carla and the nightmare mirror image of Joe that tempts her to drive Terry away rather than face her fears and believe that she is worthy of Terry's love. The most difficult challenge of all

Sympathy for the Reaper S. R. Magee, 2018-04-04 What if one day you knew that death was coming for you and there was nothing you could do to stop it? This is the very situation in which Ronnie Cahill finds himself. Alone and scared, he takes refuge in a seedy motel with death in hot pursuit. Time grows short for the hapless Cahill. Then a knock on the door. Who or what awaits him on the other side? Is it imminent doom or is it salvation? Answers to many questions are uncovered and revealed; questions that should have remained buried. Prepare yourself for a strange journey of discovery into a dysfunctional family tree, one in which the leaves and branches are withered, tainted, and deformed. It was a dark night in October 2012 when this story began to take shape. The setting for its birth was perfect: an old barn being used as a Halloween attraction, the Barn of Terror. That season, author S. R. Magee was playing the part of a zombie doctor. The year 2012 was probably one of the worst years of his life, and his mind was fertile with dark thoughts. One slow night at the barn, he began thinking this would be an awesome place for a horror story. Chapter Three: A Prayer for Rain was born on that very night. By 2015, he finally sat down to create a maze of stories based on things that had occurred in his life, actual events but with a supernatural twist. Welcome to the warped world of Ronnie Cahill.

Mr. Black Johnson She Worshipped Ken Kenthomas, 2018-03-05 True story. New York: Bonnie, 1964. A beautiful young Southern Italian female with hazel eyes and long black sexy hair was told her entire young life: African American men were inferior to white men and had little 'dingalings' (slang for an individual with a small Johnson). Every time Bonnie viewed pictures of black sportsmen and black men in general, she was impressed and physically attracted by their physiques and their athleticism. This, she confesses, totally confused her. But lo and behold, Bonnie made sure she respected her family's wishes and ignored all black men whenever in their presence. Surprisingly deep down inside, Bonnie's internal curiosity overwhelmed her to the point where she would become sexually excited, no matter where she was, even to the point of having vaginal contractions in the presence of others when seeing black men. She wondered if she was responding this way only because her parents programmed her like this as a deterrent not to deal with black men. Bonnie finally decided she had had enough about this black stereotyping. She also decided she was going to try some of that black man, Johnson, and put her curiosity to rest once and for all. Continue reading this true story and find out how Bonnie's first sexual encounter with a tall black man affected her sexually, physically, and emotionally for the rest of her life. Her family had damn near lost their minds, and so did Bonnie. To be continued in the next book soon.
