BLUE LIVES MATTER: The Heart Behind the Badge Brian P. Whiddon, 2020-09-11 A violent war is being waged against cops in America A common strategy in warfare is to dehumanize the enemy And our liberal media is pushing that narrative on an hourly basis The fact is the majority of cops are good people with families ambitions mortgages health issues feelings opinions and most importantly SELFLESS COURAGE Brian Whiddon spent 15 years as a law enforcement officer In these pages he gives readers a rare look into the humanity of being a cop on the street Car chases fights arrests rapes shootings deaths they are all in here But Brian takes you deeper than that In *Blue Lives Matter* you'll feel the raw personal emotions that come from a cop's professional experiences You'll learn the conversations that cops have in private You'll be introduced to the things all cops know that aren't part of the academy curriculum From being seconds away from shooting a suspect to dealing with inter departmental politics to pulling a pilot out of a fiery plane crash you'll learn how it really feels to be a cop Laugh at Brian's antics fight back tears over stories of

tragedy and burn with anger when you learn what some people get away with No subject is too sensitive and Brian addresses them all poverty racism homelessness sexism political correctness and even corruption Cops are the last thin line of defense between YOU and the violent chaos we are now witnessing in cities like Seattle Chicago and Portland If what you ve seen on the news hasn t made you get off the couch yet and Back the Blue then you need to read this book You ll find that cops are human just like you A portion of all royalties from this book are donated by the author to the Stephen Siller Tunnel to Towers Foundation Tunnel to Towers has several programs to help the family members of fallen first responders Mainly they pay off the mortgages of the homes of fallen heroes so that the family will not have to struggle with the burden of keeping a roof over their heads Stephen Siller was a FDNY fireman who was getting off shift on the morning of September 11 2001 After hearing reports of a plane crashing into the World Trade Center he called his wife to say he would be home late jumped in his truck and raced toward the scene However the Brooklyn Battery Tunnel had been closed off for security reasons and he could not drive through Stephen strapped 60 pounds of equipment to his back and ran on foot to the World Trade Center He was one of the firemen who lost his life at Ground Zero I invite you also to give to the Tunnel to Towers Foundation Please enjoy this book knowing that part of what you paid will be donated to this worthy organization American Motorcyclist ,1958-10 American Motorcyclist magazine the official journal of the American Motorcyclist Association tells the stories of the people who make motorcycling the sport that it is It s available monthly to AMA members Become a part of the largest most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800 AMA JOIN WALNECK'S CLASSIC CYCLE TRADER, APRIL 1993 Causey Enterprises, LLC, **RIDING THE BLUE LINE** Scott
