Age of Heroes James Lovegrove, 2016-09-08 CHILDREN OF THE GODS Born of the Gods created to be their champions their names echo in eternity Theseus Perseus Hippolyta Heracles Helen of Troy and all their half-mortal ilk But the Age of Heroes is long past and no more epics are told of their deeds Blessed and cursed with eternal life they have walked the Earth for millennia doing their best to fit in among ordinary humans taking new names and living new lives And one by one the demigods are meeting terrible bloody ends Now it's up to Theseus comfortably ensconced in New York and making his living as a crime fiction writer to investigate the deaths His search for the culprit draws him back into the lives of his dysfunctional extended family and into a world of tragedy and long-held grudges that he thought and hoped he'd put behind him
