Maloney,2021-02 2023 AFHF Air Power History Book Prize Winner Emergency War Plan examines the theory and practice of American nuclear deterrence and its evolution during the Cold War Previous examinations of nuclear strategy during this time have for the most part categorized American efforts as massive retaliation and mutually assured destruction blunt instruments to be casually dismissed in favor of more flexible approaches or summed up in inflammatory and

judgmental terms like MAD These descriptors evolved into slogans and any nuanced discussion of the efficacy of the actual strategies withered due to a variety of political and social factors Drawing on newly released weapons effects information along with new information about Soviet capabilities as well as risky and covert espionage missions Emergency War Plan provides a completely new examination of American nuclear deterrence strategy during the first fifteen years of the Cold War the first such study since the 1980s Ultimately what emerges is a picture of a gargantuan and potentially devastating enterprise that was understood at the time by the public in only the vaguest terms but that was not as out of control as has been alleged and was more nuanced than previously understood **A Summer in the Pyrenees** James Erskine

Murray,1837 **The Pyrenees** Kev Reynolds,2010-09-09 A resource book covering the finest walks treks and climbs in the High Pyrenees for 400km between France and Spain from the Cirque de Lescun on the edge of the Basque country in the west to the Carlit massif and the Cerdagne to the east of Andorra The book is divided into five regional chapters the Western Valleys Cirques and Canyons the Central Pyrenees Enchanted Mountains and Andorra and the Eastern High Pyrenees Intended as a resource book for those planning a range of mountain activities in the Pyrenees the guide describes each area valley by valley and provides information on access and accommodation as well as recommended maps and guidebooks Unlike a conventional walking book detailed route descriptions are not included the guide does however direct the reader to the finest walks treks and climbs in the area and provide an outline of specially selected routes An extensive introduction gives all the practical advice and information needed for planning a trip It offers a background to the mountains and their exploration and provides a snapshot of the range with sections that help the reader focus on specific areas of activity and suggests where best to exercise that activity *Saint-Exupery* Stacy Schiff,2006-02-07 Traces the life of the French author and pilot depicts his complex personality and looks at his contributions to the war effort
