Accounting Gr12 T/g*english , **The Accountant** ,1928 **Impacting Society Positively Through Technology in Accounting and Business Processes** Tankiso Moloi,2025-05-09 This conference volume discusses the findings of the iCAB 2024 conference that took place in Sun City South Africa on June 27 28 2024 The University of Johannesburg hosted the iCAB 2024 conference with the aim to bring together researchers from different Accounting and Business Management fields to share ideas and discuss how new disruptive technological developments are impacting the field of accounting The conference was sponsored by the Association of International Certified Professional Accountants AICPA CIMA **The Sixth International Congress on Accounting 1952** Various,2020-09-04 This book first published in 1954 collects together the papers presented to the Sixth International Congress on Accounting They focus on the problems of the post war changes in the value of money and how to deal with this in accounting statements taxation and the role of accountants in Government raising and retaining capital for development and the role of the professional accountant in the commercial field CIMA Official Learning System Test of Professional Competence in Management Accounting Heather Barnwell,2007-08-16 The 2008 edition of CIMA s Official Learning Systems has been written in conjunction with the Examiner to fully reflect what could be tested in the exam Fully revised and now in 2 colour paperback format the 2008 Learning Systems provide complete study material for the May and November 2008 exams This edition maintains the popular loose leaf format and contains Assessment of CIMA Matrix Analysis of past cases How to approach the TOPCIMA exam topic summaries recommended reading articles from a range of journals 2007 Q A s CIMA Learning Systmes are the only study materials endorsed and recommended by CIMA The Official Learning Systems are the only study materials endorsed by CIMA Updated to reflect the new assessment matrix with key sections written by the case study writer Complete integrated package incorporating TOPCIMA guidance advice on how to tackle the case study and case study practice **South African Accounting Education Stocktake** Jaco Fouchè,Nico van der Merwe,2020-04-07 This book is intended to take stock of the current state of accounting education with a specific emphasis on the South African situation It provides a critical overview of the current published research and identified gaps Through this it aims to equip accounting academics with information and tools to motivate them to research the field of accounting education to improve teaching and learning It also aids in the identification of suitable research topics in this regard and highlights potential pitfalls in researching accounting education The book therefore focuses on accounting educators as specialists in their respective disciplines Different authors with a keen interest in a specific area relating to accounting education research wrote each chapter in this book It forms a planned

collective work assembled by appropriately qualified and experienced scholars in the accounting education field which generates a new conceptual synthesis that advances scholarship of accounting education research since no such synthesis currently exists for accounting education research in South Africa

Accounting for Goodwill and Other Intangible Assets

Ervin L. Black, Mark L. Zyla, 2018-10-09 Concepts methods and issues in calculating the fair value of intangibles

Accounting for Goodwill and Other Intangible Assets is a guide to one of the most challenging aspects of business valuation. Not only must executives and valuation professionals understand the complicated set of rules and practices that pertain to intangibles, they must also be able to recognize when to apply them. Inside, readers will find these many complexities clarified. Additionally, this book assists professionals in overcoming the difficulties of intangible asset accounting, such as the lack of market quotes and the conflicts among various valuation methodologies. Even the rarest and most problematic situations are treated in detail in Accounting for Goodwill and Other Intangible Assets. For example, the authors analyze principles for identifying finite intangible assets and appropriately accounting for amortization expenses or impairment losses. Using the information in this book, the results of these calculations can also be reported with precision on financial statements. These topics are especially important for ensuring the success of any asset acquisition or business combination. In these special cases, the utmost accuracy is essential. This book provides Rules for identifying and recognizing intangible assets in business combinations and asset acquisitions. Guidance on the accurate valuation and carrying amount calculation of acquired and self-created intangibles. Tips for overcoming the challenges unique to intangible assets, including impairment testing. Clear instructions for disclosing intangible assets, goodwill, and amortization expenses. Accounting for Goodwill and Other Intangible Assets is an indispensable reference for valuation students and specialists. Ervin L. Black and Mark L. Zyla provide thorough instructions for understanding accounting for and reporting this challenging asset class.

CIMA Study Systems 2006: Management Accounting Fundamentals Janet Walker, 2005-07-07 Updated to incorporate legislative and syllabus changes. The 2006 CIMA Study Systems provide complete study material for the May and November 2006 exams. Each title contains practice questions throughout, a complete revision section, topic summaries, and a recommended reading list.

Strategic Staffing Jean Phillips, 2019-01-15 Formerly published by Chicago Business Press, now published by Sage. Strategic Staffing 4e prepares all current and future managers to take a strategic and modern approach to the identification, attraction, selection, deployment, and retention of talent. Organizations increasingly realize that their employees are the key to executing their business strategies, and the current competition for talent has made the identification and attraction of high-performing employees essential for companies to succeed in their marketplaces. The right employees give their organization a competitive advantage that sets it apart and drives its performance. In today's business environment, a company's ability to execute its strategy and maintain its competitive edge depends even more on the quality of its employees. And the quality of a company's employees is directly affected by the quality of its recruiting and staffing systems. Because hiring managers are

involved in the staffing process hiring managers and human resources HR professionals need to be familiar with strategic staffing techniques Over the past 10 years advancing technology and the increased application of data analytics have changed the practices of sourcing recruiting and staffing Strategic Staffing 4e is grounded in research communicates practical and modern staffing concepts and the role of staffing in organizational performance and is engaging to read The new edition contains updates to many sections on the roles of technology and analytics and adds more focus to the discussion of ethics that was added to the fourth edition New research findings were also incorporated and many company examples were updated The fifth edition of Strategic Staffing continues to present up to date staffing theories and practices in an interesting engaging and easy to read format
