ABC Company

24 Doe Street, Sometown XX19 1XX

Dear Mr Streiff,

When I came across your opening for a sales assistant at ABC Company, I was beyond thrilled. I would value the opportunity to contribute the same award-winning customer service as I have at my current role at XYZ Corp.

I have seen that ABC Company will soon be relocating to a larger site, following three consecutive years of increasing trade. My most recent experience involved a similar situation. As a retail assistant at XYZ Corp I assisted with a move to a new 200 square metre site, helping to successfully adapt visual merchandising for the larger space. To further assist the move I helped train 5 new incoming staff to manage the increase in footfall.

After the move to the larger premises my own sales figures improved by 50% per month, contributing to an overall sales increase of £700,000 per annum. I'd love to be able to help achieve the same success for a vibrant local business such as ABC Company.

Thanks so much for taking the time to consider my application. Please do give me a call at your convenience, so we can discuss the role further. I'd love the opportunity to develop my skills at a business that's a Merseyside success story.

Yours sincerely,

Sophie Spencer

Example Recommendation Letter For Sales Manager:

How to Write Successful Letters of Recommendation Kimberly Sarmiento, 2014-12-22 Letters of recommendation are a part of every standard school or job application. As an employer, professor, colleague, peer, or friend, chances are that at one point or another you will be asked to put a person on paper and every word counts. How to Write Successful Letters of Recommendation is your one-stop source for painting the perfect picture in just one short letter. You will learn everything you need to know about writing the perfect letter of recommendation that will get your friend, colleague, or student accepted or hired. The most effective letters of recommendation are accurate, succinct, descriptive, and powerful and include realistic evaluations of performance and capability. With ideas about how to start your letter and topics to include, this complete guide will teach you how to do just that as you construct the perfect letter from start to finish. Outlined in ten easy steps, this complete guide gives you the tools you need to write reference letters that your employees, colleagues, students, and friends will appreciate. This book is filled with tips and tricks for personalizing the letter and making your friend, student, employee, or coworker shine. With a word bank of powerful phrases and descriptive words, you'll have everything you need to make your letter stand out at your fingertips. Sample letters of recommendation are also included along with explanations of why each one is effective and tips for replicating these letters in just minutes. You will learn about the different types of recommendation letters from employment to academic to volunteer and how to direct your letter to the appropriate audience. You'll even learn what to do if someone you haven't worked with closely asks you to be a reference or how to deal with being asked for hundreds of recommendations at once. This exhaustively researched book will even teach you how to politely avoid writing letters for those people you aren't quite comfortable recommending. The Companion CD-ROM is filled with templates, examples, word banks, and worksheets so that you can easily learn to verify, experience, confirm, competence, build credibility, and bolster confidence with just a simple letter. A recommendation is more than just a letter; it's often make or break in a candidate's application for school, volunteering, or employment. With the step-by-step instructions and writing guidelines in this book, you will learn how to write introductions, opening statements, the body including a well-written, vivid assessment of character and work ethic, and a strong conclusion. This new book will also teach you how to appropriately sign your letter and will provide you with tips of re-reading and editing it to make sure you gave an effective recommendation. We spent hundreds of hours interviewing high school teachers, college professors, employers, and more who have nailed the art of composing effective communications.
