Gauvain le chevalier solaire Philippe Walter, 2013

Valeureux chevalier de la Table ronde Gauvain demeure trop souvent négligé et incompris. Éclipsé par Lancelot, il se voit confiné par les commentateurs dans un rôle de frivole séducteur voire d'interlope second attaché aux pas de son oncle le roi Arthur. Pourtant, lié au socle arthurien le plus ancien, sa présence porte les signes mystérieux d'un univers bien antérieur. La littérature médiévale au XII^e siècle. Philippe Walter met au jour le mythe archaïque auquel le héros se rattache. Doté d'un cheval fabuleux et d'une puissance magique, il retrouve son clat dès lors que l'on se tourne vers les vieilles légendes celtiques. **(2014)** Raluca

Radulescu, 2016-01-15 The purpose of the BIAS is year by year to draw attention to all scholarly books and articles directly concerned with the matière de Bretagne. The bibliography aims to include all books reviews and articles published in the year preceding its appearance, an exception being made for earlier studies which have been omitted inadvertently. The present volume contains over 700 entries on relevant publications that were published in 2013. **Yellow** Michel

Pastoureau, 2019-11-26 Traces the history of yellow around the world, telling the story of the color's evolving place in art, religion, fashion, literature, science, and everyday life, and revealing how its meaning has changed profoundly over millennia and varied among cultures. **(2015)** Nathanael Busch, 2016-12-19 The purpose of the BIAS is year by year to draw

attention to all scholarly books and articles directly concerned with the matière de Bretagne. The bibliography aims to include all books reviews and articles published in the year preceding its appearance, an exception being made for earlier studies which have been omitted inadvertently. The present volume contains over 700 entries on relevant publications that were published in 2014. **Encyclopedia of the Holy Grail** Jeffrey John Dixon, 2023-03-31 In the twelfth century a French poet

wrote a verse romance about a young knight who witnesses a mysterious procession centered on a radiant vessel, a grail. Left unfinished, the poem inspired other writers of prose and verse until the story was completely rewritten into the Arthurian romances in which the vessel becomes a relic of the Last Supper, the Holy Grail. For hundreds of years the Grail story has haunted the western imagination. But the original medieval texts are full of inconsistencies as different writers attempted to complete the story in varied ways. This encyclopedia illuminates a path through the Perilous Forest of literature and legend. Entries summarize the stories of the principal characters, sacred objects, and places associated with the Grail. An Afterword shows how mysteries of the grail continue to enchant the scholars and creative writers who have transformed the medieval legend into modern mythology. **Dialogues between Media** Paul Ferstl, 2021-01-18 Comparative Literature is changing

fast with methodologies, topics, and research interests emerging and reemerging. The fifth volume of ICLA 2016 proceedings, *Dialogues between Media*, focuses on the current interest in inter-arts studies as well as papers on comics studies, further testimony to the fact that comics have truly arrived in mainstream academic discourse. Adaptation is a key term for the studies presented in this volume; various articles discuss the adaptation of literary source texts in different target media.
