Mediated Maternity Linda Seidel, 2013-05-09 *Mediated Maternity* Contemporary American Portrayals of Bad Mothers in Literature and Popular Culture by Linda Seidel explores the cultural construction of the bad mother in books movies and TV shows arguing that these portrayals typically have the effect of cementing dominant assumptions about motherhood in place or less often of disrupting those assumptions causing us to ask whether motherhood could be constructed differently Portrayals of bad mothers not only help to establish what the good mother is by depicting her opposite but also serve to illustrate what the culture fears about women in general and mothers in particular From the
