

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

Council on Education,1873 **Fighting the Great War at Sea** Norman Friedman,2014-10-15 While the overriding image of the First World War is of the bloody stalemate on the Western Front the overall shape of the war arose out of its maritime character It was essentially a struggle about access to worldwide resources most clearly seen in Germany s desperate attempts to counter the American industrial threat which ultimately drew the United States into the war This radical new book concentrates on the way in which each side tried to use or deny the sea to the other and in so doing describes rapid wartime changes not only in ship and weapons technology but also in the way naval warfare was envisaged and fought Melding strategic technical and tactical aspects Friedman approaches the First World War from a fresh perspective and demonstrates how its perceived lessons dominated the way navies prepared for the Second World War
