His Mate Of The Forest:

For the Love of a Unicorn Catherine Lievens, 2019-03-17 Sam has been living in the forest since his parents were killed and his brother taken because of what they were unicorn shifters. He hasn't approached the wolf pack living nearby because he doesn't know if he can trust them but when he meets a wolf at the stream and realizes they're mates, he knows he will have to get over that distrust. Frederic didn't expect to meet his mate in the forest where the pack lives and he certainly didn't expect his mate to be a unicorn shifter. Sam is though and he comes with complications and problems and Frederic is willing to take them all on. Sam is wary and doesn't know how to trust but he hopes having the pack's help means he can finally look for his brother. He doesn't know where to start though so using himself as bait for the men who killed his parents sounds like a good idea. Until it doesn't.

Ellery Catherine Lievens, Ellery should be free. Alpha Carter is gone and now that the Green Hill pride has Gal things are getting better. But Ellery is tainted by his father's attempt at killing the alpha mate and no one will let him forget it or show that he didn't have anything to do with his father's plan. Forest isn't in Green Hill to stay. He's doing Gal a favor by playing beta to his alpha for a while but he's never been one to stay in one place. He can't not unless he wants his mother to drag him home and finally seal the arranged marriage with the alpha's daughter. Ellery isn't going anywhere while Forest is planning to leave. But when they meet they realize their mates and that something needs to change.
