side of my breast almost imperceptibly and then ran back down and out over my sensitive stomach He felt me trembling in his hands felt each little automatic response to every contact he made with me The hand rose again and cupped my right breast teasing at the nipple ever so lightly I felt myself thrusting my chest into his hand begging for more substantial stimulation but his hand withdrew in just far enough to maintain its infuriating lightness All the while the other hand worked its delicate touch up my thigh claiming my body as his one inch at a time As he continued to speak his tone became quieter and more seductive almost hypnotic But me I can tell when a woman is truly utterly powerless It doesn't have anything at all to do with ropes The tips of his fingers brushed the lace of my panties Do you know what I mean Jennifer Yes I gasped I felt paralyzed by need not just his touch but his orchestration He was playing my body and every note seemed to match a perfect harmony I had never listened for before All the while it seemed that the air I breathed was of nothing but his scent issuing me deeper into his world of physical bliss Yes sir I repeated slightly less breathlessly in an attempt to hide my state from the onlookers Jack of course knew precisely what he was doing to me There was no concealing this experience from him I would be safe in his arms his touch told me I could let myself go

Domination and Submission Lifestyle Allen Graih,2010-06-14 Domination and Submission The very words access our

emotions creating discomfort yet curiosity The lifestyle Domina the submissive slave In a true Dom sub lifestyle the relationship is not as insidious as this would seem Domination is about leadership respect and being a leader rather than a bully or a boss Submission is more about supporting that roll than succumbing to the wishes of the Dominant BDSM plays a roll only when both parties are ready for it but it does not have to be a part of a Dom sub lifestyle For those of us that enjoy this aspect this book has pointers safe words and tips on attitudes that both Dom and sub need to respect from one another Notice the words play and roll Domination and submission is a roll playing lifestyle This expanded edition has clearly numbered pages a brief history of BDSM and a full Glossary

Submission's Edge Trent Evans, 2018-09-10 Sometimes the only way to discover your real husband is to stop being his wife And start being his plaything For Diandra Acres it started as a hunch a feeling her husband was hiding the real him from her He was shielding her from something or keeping a secret from his wife Never one to flee from a challenge she intended to find just what that something was For in her heart she suspected and hoped that in Martin there lurked the dangerous Alpha male animal of her darkest dreams The strict dominant man not afraid to put his wife firmly in her place or take her over his knee There was something mysterious about Martin all right But did she have the courage to face what the truth might mean about her kind beloved husband Leaving his wife for weeks at a time was hard enough But preventing himself from being who he really was with his beautiful wife was even harder Being thousands of light years away from home and his wife s loving arms was a mercy though For it allowed him to hide from what he really wanted to make of her allowed him to flee from the dark twisted needs he d always struggled with His wife could never be those things She could never want to be those things So self imposed banishment in the form of a contract was his only choice Still in the endless night of interstellar space he couldn t help but wonder What if he really could show her what it was he wanted Night after night the vision haunted him his wife on her knees submitting utterly to his strict control his cruel lusts his deepest darkest desires It was a vision as alluring as it was impossible to hope for Some things were better left unsaid Certain boxes better left unopened For once the truth is known it cannot be unknown What if confessing his desires reveals him to be something his wife no longer recognizes Could a marriage and the love of a man and wife survive the discovery that both of them desire much more than they ve had the courage to admit Even to themselves For Martin Acres the choice of whether or not to reveal who he really is to unveil the truth of his deep seated troubling sexual needs might be the least of his problems For the truth could sometimes do more than just reveal It could also transform or destroy Publisher s Warning The book is intended for mature audiences 18 and over only This novel contains the following themes or activities dubious consent MF and MFM D s M s intense and explicit sex spanking humiliation objectification forced exhibitionism and other acts of very unequal power dynamics If any of these might be offensive to you please do not buy or read this book You have been warned Word Count 56 977 words Keywords Trent Evans science fiction romance BDSM capture fantasy spanking caning dubious consent forced exhibitionism dark science fiction erotic romance SFR strict hero
