*Sense-Making and Shared Meaning in Language and Literacy Education* Sharon Murphy, 2020-07-15 This textbook provides a framework for teaching children's language and literacy and introduces research-based tactics for teachers to use in designing their literacy programs for children. Exploring how sense making occurs in contemporary literacy practice, Murphy comprehensively covers major topics in literacy, including contemporary multimodal literacy practices, classroom discourse, literacy assessment, language and culture, and teacher knowledge. Organized around themes, talk, reading, and composing, representation, this book comprehensively invites educators to make sense of their own teaching practices while demonstrating the complexities of how children make sense of and represent meaning in today's world. Grounded in research, this text features a wealth of real-world multimodal examples, effective strategies, and teaching tactics to apply to any classroom context. Ideal for literacy courses, preservice teachers, teacher educators, and literacy scholars, this book illustrates how children become literate in contemporary society and how teachers can create the conditions for children to broaden and deepen their sense making and expressive efforts.

**Nonprofit Management** Michael J. Worth, 2020-10-13 Mike Worth does a great job of explaining the concepts of nonprofit management and provides excellent case studies and exercises so students can see how these concepts work in the real world. Durand H. Crosby, J.D., Ph.D., Oklahoma University. Michael J. Worth's best seller, *Nonprofit Management: Principles and Practice*, provides a comprehensive, insightful overview of key topics nonprofit leaders encounter daily. Worth covers both the governance and management of nonprofit organizations, the scope and structure of the nonprofit sector, leadership of nonprofits, management, fundraising, earned income strategies, financial management, lobbying, and advocacy, managing international and global organizations, and social entrepreneurship, helping readers understand what they are and how they work. The text balances research, theory, and practitioner literature with current cases and the most recent data available, making it appropriate for undergraduates, graduate students, and nonprofit professionals. The Sixth Edition has been updated to include new material regarding diversity, equity, and inclusion, volunteer stewardship, nonprofit executive transitions, models for pursuing earned income, ethical dilemmas, and controversial donors.
