Barnes, 2025-10-30 From hate mail to suicide notes to begging letters this book explores the relationship between letter writing and emotion through case studies from antiquity to the 21st century It shows how the epistolary form has offered a wide range of ways to communicate private feelings make public statements and offers a rich historical source to explore how people have performed emotions for a

range of audiences Emotions and the Letter shows how this long standing historical source can provide insights into a diversity of emotion traditions Uses of the letter in different periods and its emotional potential reflect important interactions between individuals and society private and public aesthetics and authenticity Applying approaches and methods from the history of emotions literary studies and affect studies this collection significantly advances our understanding of why letters remain a critical mode of communication and explores how to analyse letters for historical emotions research **Applying Restorative Justice to Campus Sexual Misconduct** Kaaren M. Williamsen,Erik S. Wessel,2023-07-03 While sexual misconduct on our college and university campuses both public and private is dismayingly widespread it continues to be significantly underreported because most victims perceive that judicial recourse with its legalistic adversarial approach fails to address in a healing way the harms done to them Fewer still file formal complaints many for fear that they may lose agency and that the process may rekindle the trauma of their experience Recognizing the reality that supermajority of sexual harms in higher education are rarely addressed through established legalistic practices this book offers a range of alternative approaches based on restorative justice Starting from the premise What if we started with the goal of healing in mind this book opens with an overview of common restorative practices and accounts of application and lessons learned by practitioners who have implemented a range of restorative justice and alternative based approaches Subsequent chapters cover procedural elements recommendations around documentation and interventions for individuals who have caused harm through sexual and gender based misconduct The book addresses facilitation the need to pay attention to self people and systems identities and power dynamics the considerations for working restoratively with both complainants and respondents offers cases and adaptable examples of resolution and concludes with reflections on institutional implementation from the perspectives of administrators facilitators and a student survivor Recognizing there will always be a need for a formal investigatory approach to cases of sexual misconduct the book offers a wide range of alternative options that empower those who are most directly affected to make the call for themselves In doing so it may increase reporting and furthermore in offering a healing justice that addresses individual and community needs may work to reduce sexual misconduct on campus

Sex Equity and Sexuality in Education Susan Shurberg Klein,1992-08-17 Neither sex equity nor sexuality are new topics to educators but little attention has been given to their combination This book identifies critical issues that researchers reformers and educators have failed to address publicly The authors show that it is necessary for educators to increase their understanding of ways that sex education can be sex equitable and ways that sexuality contributes to sex inequities in general education The book covers sexuality issues of special concern to minority disabled and homosexual students latchkey children and early parents The discussions show why it is important to break the barriers of silence confusion and disunity to enable females and males of all ages to receive equal opportunities and outcomes in and through education *Equal Employment Opportunity Compliance Guide 2018 Mid-Year Supplement (IL)* Buckley, **How to Say it** Rosalie
