Keener,2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports **All the Miracles of the Bible** Herbert Lockyer,2017-05-23 The Supernatural in Scripture Its Scope and Significance The Bible is a book of miracles From Genesis to Revelation the supernatural power of God is on display from the Creation to the plagues of Egypt to the Messiah s authority over demons and diseases to the apocalyptic clash between satanic forces and divine omnipotence In detailed description and analysis Dr Herbert Lockyer furnishes a case by case look at all the miracles of the Bible From the beginning of the Old Testament to the end of the New Testament All the Miracles of the Bible walks us through the Books of Moses Historical Books Post Captivity Books Poetical Books Prophetical Books Gospels Acts Epistles Apocalypse can be used as a handy reference work by any and every Bible student The Banner Herbert W Lockyer s All books give you life enriching insights into the Bible From characters you can learn from to teachings you can apply to promises you can stand on and prophecies you can count on Lockyer s time honored works help you wrap your mind around the Bible and get it into your heart Lockyer s books include All the Apostles of the Bible All the Divine Names and Titles in the Bible All the Doctrines of the Bible All the Men of the Bible All the Women of the Bible All the Messianic Prophecies of the Bible All the Miracles of the Bible All the Parables of the Bible All the Prayers of the Bible and All the Promises of the Bible **The Miracles of the New Testament** Arthur Cayley Headlam,1914 *The Miracles of the New Testament* Arthur Cayley Headlam,1915 **Miracles in the New Testament (Classic Reprint)** J. M. Thompson,2017-12 Excerpt from *Miracles in the New Testament* The main part of this book consists of a critical examina tion of the miracle stories of the New Testament

leading to the hypothesis that the original events underlying those traditions need not be regarded as miraculous This is prefaced by an attempt to define the belief in miracles and followed by an estimate of some of the theological results of its rejection It must not be thought that because the constructive part of the book pp 211 218 is so short it is unimportant It was inevitable from the nature of the case that the detailed criticism of the miracle stories should form the bulk of the argument But criticism is throughout regarded as subordinate to construction There would be little point in discussing the problem of miracles except as a step towards a formulation of Christian theology The last few pages of the conclusion are meant to focus the whole argument upon what really matters our belief about God and Christ They should perhaps be read first as well as last if the book is to be fairly judged as a whole About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Fact and Faith David L. Bartlett, 2007-08-01 How shall we interpret the stories of miracles particularly the resurrection in this secular age The author calls us to look beyond the fact of a miracle to faith in what the miracle means To do this he tells us we must first of all try to understand what actually happened in history However he warns us that merely knowing what happened will not necessarily lead to vital Christian faith In developing his theme the author discusses the way in which each of the Four Gospels presents miracles the meaning of exorcism in the New Testament and today and the significance of the resurrection accounts Throughout the author suggests significant themes for preaching

Miracles Craig S. Keener, 2014-05-14 A respected New Testament scholar presents the most thorough current defense of the credibility of biblical miracles

Medicine, Miracle and Magic in New Testament Times Howard Clark Kee, 1988-11-17 This book illustrates in detail the range of understandings of the human condition in New Testament times and remedies for ills that prevailed when Jesus and the apostles were spreading the Christian message and launching Christian communities in the Graeco Roman world
