**Study Guide for Today's Medical Assistant - E-Book** Kathy Bonewit-West, Sue Hunt, Edith Applegate, 2014-07-30 Use this study tool to master the content from your Today's Medical Assistant Clinical Administrative Procedures 2nd Edition textbook. Corresponding to the chapters in the textbook by Kathy Bonewit West, Sue Hunt, and Edith Applegate, this study guide helps you understand and apply the material with practical exercises, activities, flashcards, checklists, review questions, and more. Chapter assignment tables at the beginning of chapters guide you through textbook and study guide assignments and make it easy to track your progress. Laboratory assignment tables list the procedures in each chapter, including study guide page number references and indicate the procedures shown on the DVDs. A pretest and posttest in each chapter measure your understanding with 10 true/false questions. Key term assessments include exercises to help in reviewing and mastering new vocabulary. Evaluation of Learning questions let you assess your understanding, evaluate progress, and prepare for the certification examination. Critical thinking activities let you apply your knowledge to real-life situations. Practice for Competency sections offer extra practice on clinical skills presented in the book. Evaluation of Competency checklists evaluate your performance versus stated objectives and updated CAAHEP performance standards. Updated content includes exercises for topics such as electronic medical records, advanced directives, HIPAA emergency preparedness, ICD-10 coding, documentation, medical office technology, medical asepsis, vital signs, pediatrics, colonoscopy, IV therapy, and CLIA waived tests. New activities provide practice for the Today's Medical Assistant textbook's newest and most up-to-date content. New Emergency Protective Practices for the Medical Office chapter includes procedures, critical thinking questions, and other activities to help you understand emergency preparedness. New Wheelchair Transfer Procedure and Evaluation of Competency checklist includes a step-by-step guide to this important procedure. New video evaluation worksheets on the Evolve companion website reinforce the procedures demonstrated on the textbook DVDs. New practicum and externship activities on Evolve provide practice with real-world scenarios. *Today's Medical Assistant - E-Book* Kathy Bonewit-West, Sue Hunt, 2019-12-11 Bringing together comprehensive, easy-to-read coverage of medical assisting competencies and a solid foundation of anatomy and physiology, Today's Medical Assistant Clinical Administrative Procedures 4th Edition provides everything you need to successfully begin a career as a medical assistant. This hands-on guide uses easy-to-follow language and detailed visuals to walk you through all the medical knowledge, procedures, and skills you need for success in today's fast-paced medical office. Cutting-edge content is organized around medical assisting standards and competencies, supplemented throughout with a wide assortment of engaging learning tools and activities that help you to fully understand and demonstrate those competencies. The 4th Edition features enhanced coverage of healthcare law, certification, electronic health records, motivational interviewing, office management, and more, as well as additional procedures to address behavior-based competencies and expanded sample certification exams online.
