David R. Mains, 2015-05-12 Very little communication takes place between most pastors priests and their congregants regarding the weekly sermon homily This lack of constructive dialogue has resulted in Sunday messages that are not only out of touch with where parishioners are living but for the most part what s said isn t remembered much beyond the church parking lot Dr Mains contends that people in the pew can best judge when a sermon is helpful to them and when it isn t So why not include them in the process of both preparing and evaluating sermons Not preaching the sermons but again preparing and evaluating them He makes these changes sound so simple and practical that you can t help but wonder Why weren t these ideas implemented years ago Most people in the pew don t realize how integral they are to finding a solution to this problem But the pulpit pew combination can be an incredibly powerful team so let s begin to work together to help solve this mystery of what s happening to sermons This is not a negative book or one that only points out problems Instead it s a positive practical and encouraging read that should fill you with hope for not only your local congregation but churches everywhere **The Rhetoric of the Pulpit, Second Edition** Jon Meyer Ericson, 2020-03-26 The Rhetoric of the Pulpit

treats the sermon as the single most important factor in evangelism for a parish and also the most important factor in the spiritual growth of both the congregation and the pastor With emphasis on the Word as the foundation the author adds music and liturgy to the sermon s structure to build a unified worship experience Recognizing that the Word is truth but that the truth needs to be made to seem true the book offers sound practical advice on sermon preparation based on both classical

and contemporary communication theory Sermon preparation is viewed as a process that begins with downloading the Word followed by productive meditation The process then moves through the rhetorical steps from a search for content to the sermon s delivery Throughout the book the rhetorical principles are treated as a subordinate element to the Word a means of giving effectiveness to the truth The Rhetoric of the Pulpit aims to reflect the spirit of Aristotle St Augustine St Paul and Kenneth Burke The Expositor ,1918 **Enjoying Spiritual Works** Rev. Herbert Tyrone Brown,2017-05-24 The book is a testament of how important the Word of God is and that it must be delivered to the world This book provides a selection of special religious sermons preached by Pastor Brown in various African American churches Each chapter provides the entire sermon for special events held in African American churches The book includes thirteen chapters chapter 1 is about New Years chapter 2 Easter chapter 3 Womens Day chapter 4 Mothers Day chapter 5 Fathers Day chapter 6 pastors anniversary chapter 7 black history chapter 8 homecoming chapter 9 Thanksgiving chapter 10 Christmas chapter 11 family day chapter 12 funerals and chapter 13 College Day event *The Bible and the Calendar* Thomas D. Campbell,2010-04-13 Planning and text selection are important ingredients in a preacher s work Saturday night specials sermons out of a frantic search for a scripture passage and possible message are all too familiar with many Lack of a systematic approach will exhaust the preacher and weaken one s pulpit ministry This book can be a help to those who want to be faithful preachers rightly handling the word of God **Women Struggling For a New Life** Ai Ra Kim,1996-01-01 Kim explores the religious impact particularly that of the Korean Methodist Church on the lives of Korean immigrant first generation in the United States To most of these women America is new soil and they need to adjust to a different cultural and social environment Consequently they may be confused and frustrated As a community center the Korean church plays a significant role in their lives Kim examines the church to determine if it is helpful or detrimental to these women as they adjust to their lives in the United States Although the history of Korean immigrants in the United States is almost 100 years old resources about Korean immigrants particularly women are scarce These women have long been invisible and unheard in American society as well as in the Korean community and church Their experiences as minority women and their painful struggle for survival in patriarchal Korean churches reflect not only the plight of women but also genuine human struggle Fresh Ideas for Preaching.

Provencal,1997-06-14 **The Beauty of the Word** James C. Howell,2011-01-01 There is no doubt that the task of preaching can sometimes be overwhelming Combining veteran wisdom practicality and a contagious reverence for the beauty of God s Word veteran pastor James C Howell leads pastors and teachers through the joyful and perplexing craft and practice of preaching Drawing on a wide range of resources Howell provides discussions on the Subject Matters of Preaching Where Sermons Happen When Sermons Happen and the Life of the Body The conclusion on The Preaching Self considers the person of the preacher These
