Texas to meet the mom she'd never known then hightail it out of there as fast as his boots could carry him Temptation wasn't on the agenda especially with a prim New Yorker who most definitely was not his type But Prissy made him hotter than Dallas in July and made him want things he'd given up on long ago Guilty Ann Coulter,2009-01-06 Liberals seem to have hit upon a reverse Christ story as their belief system He suffered and died for our sins liberals make the rest of us suffer for sins we didn't commit Who are the victims here To hear liberals tell it you'd think they do nothing but suffer at the hands of ruthless entities like the Republican Attack Machine and Fox News Really It's just another instance of the Big Lie of course told so often that some people have actually started to believe it In Guilty Ann Coulter explodes this myth to reveal that when it comes to bullying no one outdoes the Left Citing case after case ranging from the hilariously absurd to the shockingly vicious Coulter dissects these so-called victims who are invariably the oppressors For instance Single mothers Getting pregnant isn't like catching the flu There are volitional acts involved someone else explain it to Dennis Kucinich By this purposeful act single mothers cause irreparable harm to other human beings their own children as countless studies on the subject make clear The myth of the Republican Attack Machine The most amazing thing liberals have done is create the myth of a compliant right wing media with Republicans badgering baffled reporters into attacking Democrats It's so mad it's brilliant It's one kind of lie to say the Holocaust occurred when the Swedes killed the Jews But it's another kind of lie entirely to say the Holocaust occurred when the Jews killed the Nazis Brave liberals In addition to being beautiful compassionate tribunes of the downtrodden liberals are brave I know that because they're always telling me how brave they are Why five nights a week MSNBC's Keith Olbermann courageously books guests who completely agree with him It doesn't get much braver than that Obambi's luck While B Hussein Obama piously condemned attacks on candidates families his media and campaign surrogates ripped open the court sealed divorce records of his two principal opponents in his Senate race in Illinois The offenders are offended Republican senator George Allen's career was destroyed when he made a joking remark to a privileged Indian American harassing him at campaign stops When did rich kids become a new protected category that must be shielded from words that are insulting in other languages How did Sidarth become a specially anointed victim What did we ever do to India And why didn't we ever hear about the far more offensive anti Semitic flyers of Allen's opponent Jim Webb One essential and recurring truth about self-righteous liberals says Coulter is that they viciously attack all while wailing that they are the true victims With Guilty a mordantly witty and shockingly specific catalog of offenses that liberals would rather we ignore and forget Ann Coulter presents exhibits A through Z *Alien Defender's Chosen Bride* Miranda Martin,2020-03-04 Willow I risked everything to escape Earth As chance would have it I made it to a Draconian vessel The Dragon warriors take on all comers even women like me who are young uneducated and unbeknownst to me carrying a plague to their world They say ignorance is bliss and in my case it's the literal truth Prior to finding out I'm infected I was happily hunting for a compatible age mate and planning my happily ever after No sooner do I find Mr Right than I get my

diagnosis and all my dreams are blown away like dandelion seeds scattering in the wind Narcis When a beautiful young queen lays claim to me I wish for things I never even considered before I crave her smile and her laughter When she makes the human kiss with me possessive instincts rise and dominate my thoughts When we discover she is infected with a dangerous parasite I ll do whatever is necessary to see her healed My family and the healers aren t doing nearly enough to save her life I ll go to any length to get what she needs When word leaks out of her infection an angry mob forms furious that she has brought a plague to our world I must protect her If I can get her back to Stone Mountain we ll be safe I ll do whatever it takes to make sure she s safe because a world without her isn t a place I want to be
