Forget Me Not Flowering 11 Sarah Daltry:

Lily of the Valley (Flowering #1.5) Sarah Daltry, 2013 Jack's story isn't pretty. He's suicidal, depressed, and he uses meaningless sex and alcohol to survive. However, the story is about finding light in the darkness, but sometimes the road there isn't always easy to walk. No one tells you about pain. They tell you that it hurts, that sometimes it's consuming. What they don't tell you is that it's not the pain that can kill you. It's the uncomfortable numbness that follows the weakness in your body when you realize your lungs may stop taking in air and you just can't exert enough energy to care. It's the way taste and color and smell fade from the world and all you're left with is a sepia print of misery. That's when the shift starts. 0 3 the movement from passive to active. I fall asleep hoping that the morning will bring back the pain. At least the pain is a thing. I'm a plague, a cancer. My mom is dead. 0 3 and my father is in prison for it. I survived high school because college was my way out. I needed to escape to get away from my family and the people who tortured me, but it hasn't grown any easier. I don't pretend that I'm a good person. I drink far more than I should, and I use my best friend Alana because together we thrive on destroying each other. 0 3 as well as the parts of us we hate. I don't believe in love, but sex is fun, and it also makes me feel something. The morning I see Lily, the beautiful princess who smells inexplicably like strawberries every time I see her, I realize I'm in trouble. I should hate her. I want to hate her because the alternative terrifies me. However, as she continues to crash into my life, often literally, I can't avoid feeling something that is the one thing I swore I would never feel. I can't fall in love because people like me don't live in a world where love saves anyone. She just won't go away, though, and I don't know if I can keep running. The voices and the darkness hover over me, and they threaten to bring me back to the safety of my hate, but the stupid scent of strawberries lingers on the horizon as something like hope.
