

Instructions For The Preparation of Alabama Department of Revenue Individual Credits

2021

Use this schedule to compute credits available on the individual income tax return.

What's New

Individual taxpayers must apply through My Alabama Taxes (MAT) at www.myalabamataxes.alabama.gov and receive approval before certain credits are claimed on Schedule OC. Once logged into MAT, a taxpayer will need to select "Individual Income Tax" as their account type, then select "Submit a Credit Claim" from the "I Want To" menu on the right margin of the page and follow a short series of instructions/steps to claim a credit. Any supporting documentation for the credit claim is required to be attached in MAT. The process of "Submitting a Claim" through MAT must be completed to allow the recipients a credit claim. Taxpayers needing assistance with reserving a tax credit may call (334) 353-9770 or (334) 353-0602.

SECTION A – Current Tax Period Liability

Enter tax amount from Form 40, page 1, line 17 or Form 40NR, page 1, line 19.

SECTION B – Current Year Credits

* The Individual Credits must be submitted and approved through My Alabama Taxes (MAT) before completion of the Schedule OC.

Part A – Credit for Taxes Paid to Other States (Form 40 Only)

This credit is provided to prevent the double taxation of income and is only available to legal residents of Alabama filing Form 40 who have income from sources outside of Alabama that is being taxed by Alabama and another state (or territory of the United States) in the same tax year. Residents of Alabama for only a part of the tax year can claim this credit only if the returns filed with Alabama and the other state cover the same periods. In order to claim this credit, you must complete the Schedule CR, this section and attach a copy of other state's return or W-2G's if the taxing state does not allow a return to be filed for gambling winnings. (For more instruction see Form 40 Tax Booklet)

NOTE: Residents that worked and received income/wages from a state that doesn't have income tax will not be eligible for the credit for taxes paid to another state.

- A1. Sum of Alabama Adjusted Gross Income Attributable to all other States from Schedule CR, line 26.
- A2. Alabama Adjusted Gross Income from Form 40, page 1, line 10.
- A3. Total Other States' % of Alabama AGI (Divide line A1 by line A2).
- A4. Multiply the current tax liability (Section A) by line A3.
- A5. Enter line 37 from Schedule CR.
- A6. Credit Allowable (Enter smaller of lines A4 or A5). Enter here and on Section C, Part A, Column 3.

Part B – Alabama Enterprise Zone Credit or Exemption

This credit is available to corporations, partnerships, and proprietorships that locate or expand within a designated enterprise zone as approved by the Alabama Department of Economic and Community Affairs. It was designed to stimulate business and industrial growth in depressed areas of the state. These tax incentives were enacted by Act No. 87-573 of the Alabama Legislature and were signed into law on July 22, 1987 as the "Alabama Enterprise Zone Act."

In order to qualify for the tax credits, a business must be located within a designated zone as approved by the Alabama Department of Economic and Community Affairs.

If a credit is earned by a partnership or S corporation, the credit will be distributed to each partner or shareholder based on the percentage of ownership. The partnership or S corporation should advise each partner or shareholder of

the amount of his/her income subject to this credit.

For further information regarding the "Alabama Enterprise Zone Act" and the necessary forms to claim this credit, you should contact:

**Alabama Department of Economic and Community Affairs
Development Division
401 Adams Avenue
P. O. Box 5690
Montgomery, AL 36103-5690
Phone (334) 242-8672
or
Alabama Department of Revenue
P.O. Box 307410
Montgomery, AL 36132-7410
Phone (334) 242-1170**

B1. Enter amount from Schedule E2001, Part II, page 2, line 13, or Schedule E2, Part IV, page 2, line 13. Enter here and on Section C, Part B, Column 3.

Part C – Basic Skills Education Credit

This credit is available to resident and nonresident employers who provide basic skills education programs approved by the Alabama Department of Education to employees. Expenses incurred for or relating to instructors, materials, or equipment used in the qualifying program, or for supplies, textbooks, or salaries, including compensation paid to employees while participating in the basic skills program may be used in calculating the credit. The credit will equal 20 percent of the actual costs of education limited to the amount of the employer's income tax liability. A credit will not be allowed for employers receiving reimbursement for any cost of the education.

- C1. Enter the Certification Number assigned by the Department of Education.
- C2. Enter the name of the employer/firm sponsoring the education program.
- C3. Enter the name of the approved provider.
- C4. Mark the appropriate box to indicate whether all participants for whom you are claiming a tax credit, were continuously employed by you for at least 16 weeks.
- C5. If the box on line 4 is marked "yes", mark the appropriate box to indicate if employee(s) for whom you are claiming a tax credit work at least 24 hours each week.
- C6. If the box on line 4 and 5 is marked "yes", enter the total expenses available for credit.
- C7. CREDIT ALLOWABLE. Multiply line C6 by 20% (.20). Enter here and on Section C, Part C, Column 3.

Part D – Rural Physician Credit

This credit is available to licensed physicians who practice and reside in a small or rural Alabama community of less than 25,000 residents with admission privileges to a small or rural hospital having an emergency room. Under the terms of this credit a "small or rural hospital" is defined as an acute care hospital with less than 105 beds, located more than 20 miles from another acute care facility, or which receives Medicare rural reimbursement from the federal government. The amount of this credit is \$5,000.00 per year and may be claimed for not more than five consecutive tax years. No credit will be allowed to physicians meeting the requirements on or before May 5, 1993 nor to a physician having previously practiced within a rural community unless he/she returns to such practice after having practiced in a large or urban community for at least three years.
