Hartzler's book as an essential. There are very few resources available that can help Christians run a campaign that both honor God and succeed. Vicky has not only written the book she has carried it out in practice. If you are considering running for office or you want to help those who are Running God's Way is a must read. Tony Perkins, President Family Research Council. One of the biggest problems with politics today is getting good people to run for office. And one of the biggest reasons they don't run is they don't know how. It seems a daunting task. Congresswoman Vicky Hartzler's book is the answer. So whether you are a candidate, supporter or patriot, this book is for you. David Barton, Founder and President WallBuilders. Congresswoman Hartzler's unique book describes exactly what you need to know to run a well planned campaign. You owe it to yourself and the traditional Judeo-Christian values in which we believe to read her book. Alex Mooney, U.S. Representative West Virginia 2nd District.

Hart's Oil and Gas World, 1996 **Fundraising Basics** Barbara L. Ciconte, Jeanne Jacob, 2008-12-18. As nonprofit organizations face heightened scrutiny by the general public, donors, regulators and members of Congress, the Third Edition of the essential book on the basics of fundraising provides new, up-to-date and valuable information that every fundraiser needs to know. With ethics and accountability being the primary theme of the Third Edition, this practical guide will continue to provide an overview of the field and give development staff, managers and directors a platform from which to operate their fundraising programs. The new edition also provides much needed information on giving trends, computer hardware and software available for fundraisers, cost estimates and workflow timetables and the importance of the Internet. This primer remains a must-have for anyone new to the fundraising arena.

Fund Raising with Golf Sally J. Ling, 1997 Mapping the Social Landscape Susan J. Ferguson, 2020-08-27. The author is a proud sponsor of the 2020 SAGE Keith Roberts Teaching Innovations Award, enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. Mapping The Social Landscape is one of the most established and widely used readers for Introductory Sociology. The organization follows that of a typical introductory sociology course and provides coverage of key concepts including culture, socialization, deviance, social structure, social inequality, social institutions and social change. Susan J. Ferguson selects, edits and introduces 58 readings representing a plurality of voices and views within sociology. The selections include classic statements from great thinkers like C. Wright Mills, Karl Marx and Max Weber as well as the works of contemporary scholars who address current social issues. Throughout this collection, there are many opportunities to discuss individual, interactional and structural levels of society, the roles of race, ethnicity, class, gender and sexuality in shaping social life and the intersection of statuses and identities. Included with this title is the password-protected Instructor Resource Site, formally known as SAGE Edge, which offers access to all text-specific resources including a test bank and editable chapter-specific PowerPoint slides.
