and art form as well as students and readers who have never taken a class on cinema before Screenwriters José Guilherme Correa, 2016-07-13 Screen writing is a unique literary form Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers They are written using technical jargon and tight spare prose to describe set directions Unlike a novella a script focuses on describing the literal visual aspects of the story rather than on its characters internal thoughts In screen writing the aim is to evoke those thoughts and emotions through subtext action and symbolism Prominent Hollywood script doctors include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc while many up and coming screenwriters work as ghost writers This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z The good are sometimes bad and they can be even Ugly Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature It all comes down to watching the truth 24 times per second to quote Jean Luc Godard s phrase Not to mention that such truth may include sex scenes violence pedophilia etc We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A I Bezzerides script Asa former screenwriter Mr Correa must avow that he found the job most gratifying Writing that looks effortless is often hellish to write and revise It was something he did have to slog through but it proved particularly pleasing Editing discussing finishing your work is particularly gratifying Identifying your flaws and working to mitigate them is also gratifying It is a general perception that creative careers are more interesting and fun than others But the privilege of earning money through imagination and creativity is effectively hard won Please comment at will Please disagree at will Be facetious in your remarks but please be neither vicious nor mean spirited *Virtuoso* Murray Pomerance, 2019-05-16 Elizabeth Taylor s electrifying performance in Who s Afraid of Virginia Woolf The milkshake scene in There Will be Blood Leonardo DiCaprio s turn as Arnie in What s Eating Gilbert Grape What makes these performances so special Eloquently written and engagingly laid out Murray Pomerance answers the tough question as to what makes an exceptional or virtuosic performance Pomerance intensively explores virtuosic performance in film ranging from classical works through to contemporary production and gives serious consideration to structural problems of dramatization and production actorial methods and tricks and contingencies that befall performers giving stand out moments Looking at more than 40 aspects of the virtuosic act and using an approach based in careful meditation and discursion Virtuoso moves through such themes as showing off effacement self consciousness performative collapse spontaneity acting as dream acting and femininity virtuosity and torture secrecy improvisation virtuosic silence and others giving special attention to the labors of such figures as Fred Astaire Johnny Depp Marlene

Dietrich Basil Rathbone Christopher Plummer Leonardo DiCaprio Alice Brady Ethel Waters James Mason and dozens more Numerous scenic virtuositities are examined in depth from films as far ranging as Singin in the Rain and The Bridge on the River Kwai and My Man Godfrey As the first book about virtuosity in film performance Virtuoso offers exciting new angles from which to view film both classical and contemporary **Feel-Bad Postfeminism** Catherine McDermott,2022-06-02 In Feel Bad Postfeminism Catherine McDermott provides crucial insight into what growing up during empowerment postfeminism feels like and outlines the continuing postfeminist legacy of resilience in girlhood coming of age narratives McDermott s analysis of Gone Girl 2012 Girls 2012 2017 and Appropriate Behaviour 2012 illuminates a major cultural turn in which the pleasures of postfeminist empowerment curdle into a profound sense of rage and resentment By contrast close examination of The Hunger Games 2008 2010 Girlhood 2014 and Catch Me Daddy 2014 reveals that contemporary genres are increasingly constructing girls as uniquely capable of resiliently overcoming and adapting to unforgiving social conditions She develops an affective vocabulary to better understand contemporary modes of defiant transformative and relational resilience as well as a framework through which to expand on further modes that are specific to the genres they emerge within Overall the book suggests that exploration of the affective dimensions of girls and women s culture can offer new insights into how coming of age girlhood and femininity are culturally produced in the aftermath of postfeminism
