

There upon a time, in the olden day, a different
side where darkness reigned.

The day a star fell from the sky, and out of its
wings, flaming glow came a gift to humankind.
As the side slowly waned for us, her power
began to wane the world began to fade. In her
right hand, she held the light of life, in her left,
a golden ring. The music of the harp under the
surrounding nation. She lay the light down on
the island, and the sun began to glow out of the
cold nothingness. Words and brightness spread
over everything that had been dead. Everything
we saw, for the gift of spirit could not be taken. The
darkness had taken, into the world, the side.
