The Best American Poetry 2014 David Lehman, Terrance Hayes, 2014-09-09 Collects poems chosen by the editors as the best of 2014 featuring works by John Ashbery Anne Carson Mary Ruefle Frederick Seidel and others Literacy Practices for P-12 Classrooms in the Digital Age Mitchell, Jessica S., Vaughn, Erin N., 2019-10-11 The ability to effectively communicate in a globalized world shapes the economic social and democratic implications for the future of P 12 students Digitally mediated communication in an inclusive classroom increases a student s familiarity and comfortability with multiple types of media used in a wider technological culture However there is a need for research that explores the larger context and methodologies of participatory literacy in a digital educational space Participatory Literacy Practices for P 12 Classrooms in the Digital Age is an essential collection of innovative research on the methods and applications of integrating digital content into a learning environment to support inclusive classroom designs While highlighting topics such as game based learning coding education and multimodal narratives this book is ideally designed for practicing instructors pre service teachers professional development coordinators instructional facilitators curriculum designers academicians and researchers seeking interdisciplinary coverage on how participatory literacies enhance a student s ability to both contribute to the class and engage in opportunities beyond the classroom The Best Revenge Anne R. Allen, 2019-06-01 Snarky delicious fun The Camilla Randall mysteries are a laugh out loud mashup of romantic comedy crime fiction and satire Perennially down and out socialite Camilla Randall is a magnet for murder mayhem and Mr Wrong but she always solves the mystery in her guirky but oh so polite way Usually with more than a little help from her gay best friend Plantagenet Smith This preguel to the Camilla mysteries romps through the glitzy 1980s when 19 year old Camilla loses everything her fortune her gay best friend and eventually her freedom When she s falsely accused of a TV star s murder she discovers she s made of sterner stuff than anyone imagined herself included In typical Anne R Allen fashion the plot twists and turns from one hilarious misadventure to another leading to a finish sure to catch the reader by surprise while laugh out loud funny it carries a message about how we view ourselves and how others views of us may conflict yet make us grow An engaging Hollywood caper set during the 1980 s pits a fashionable New York debutante against a hard nosed reporter who s had a bad day I don t even know what to classify this book as thriller romance comedy drama whodunit who s going to do it it has everything Fans of Marian Keves will love Camilla The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut In addition to a precis each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate

for their children Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i e animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection Screening Stephen King Simon Brown, 2018-02-28 Since the 1970s the name Stephen King has been synonymous with horror His vast number of books has spawned a similar number of feature films and TV shows and together they offer a rich opportunity to consider how one writer's work has been adapted over a long period within a single genre and across a variety of media and what that can tell us about King about adaptation and about film and TV horror Starting from the premise that King has transcended ideas of authorship to become his own literary cinematic and televisual brand Screening Stephen King explores the impact and legacy of over forty years of King film and television adaptations Simon Brown first examines the reasons for King s literary success and then starting with Brian De Palma's Carrie explores how King's themes and style have been adapted for the big and small screens He looks at mainstream multiplex horror adaptations from Cujo to Cell low budget DVD horror films such as The Mangler and Children of the Corn franchises non horror films including Stand by Me and The Shawshank Redemption and TV works from Salem's Lot to Under the Dome Through this discussion Brown identifies what a Stephen King film or series is or has been how these works have influenced film and TV horror and what these influences reveal about the shifting preoccupations and industrial contexts of the post 1960s horror genre in film and TV **Narratives Crossing Boundaries** Joachim Friedmann, 2023-10-02 As the dominant narrative forms in the age of media convergence films and games call for a transmedial perspective in narratology Games allow a participatory reception of the story bringing the transgression of the ontological boundary between the narrated world and the world of the recipient into focus These diverse transgressions medial and ontological are the subject of this transdisciplinary compendium which covers the subject in an interdisciplinary way from various perspectives game studies and media studies but also sociology and psychology to take into account the great influence of storytelling on social discourses and human behavior Genreflecting Diana Tixier Herald, Samuel Stavole-Carter, 2019-05-24 Librarians who work with readers will find this well loved guide to be a treasure trove of information With descriptive annotations of thousands of genre titles mapped by genre and subgenre this is the readers advisor s go to reference Next to author genre is the characteristic that readers use most to select reading material and the most trustworthy consideration for finding books readers will enjoy With its detailed classification and pithy descriptions of titles this book gives users valuable insights into what makes genre fiction appeal to readers It is an invaluable aid for helping readers find books that they will enjoy reading Providing a handy roadmap to popular genre literature this guide helps librarians answer the perennial and often confounding question What can I read next Herald and Stavole Carter briefly

describe thousands of popular fiction titles classifying them into standard genres such as science fiction fantasy romance historical fiction and mystery Within each genre titles are broken down into more specific subgenres and themes Detailed author title and subject indexes provide further access As in previous editions the focus of the guide is on recent releases and perennial reader favorites In addition to covering new titles this edition focuses more narrowly on the core genres and includes basic readers advisory principles and techniques **Internet Comedy Television Series, 1997-2015** Vincent Terrace, 2016-02-12 Created around the world and available only on the web Internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The fourth in a series covering Internet TV this book takes a comprehensive look at 1 121 comedy series produced exclusively for online audiences Alphabetical entries provide websites dates casts credits episode lists and storylines Philosophy of Computer Science William J.
