**Claycomb Shedrick, Deidre Goodlet**

## **Good Action S For Tween Girls:**

**Childhood and Tween Girl Culture** Fiona MacDonald, 2017-01-23 This book explores the ways in which notions of childhood are being influenced by a rapidly expanding consumer media culture in the 21st Century It has been argued that new stages of childhood are being created and defined by children's role as consumers The concept of tween girls aged between 9 and 14 has generated the greatest debate While the fantasy world of tween offers girls a space to fashion a young feminine identity it has been widely argued that the consumer media's messages pressure tween girls to consume and adopt highly sexualised appearances and behaviours The author considers how the art of consumption for tween girls is intrinsically linked with their desire for independence and belonging and how their consumption is interwoven with other important social and cultural influences The book will be of interest to scholars and students in the fields of Childhood and Youth Studies Cultural Studies Feminist and Women's Studies and Sociology

**Totally Tweens and Teens** Diane P. Tuccillo, 2020-04-30 The library programs featured in this unique collection are those that have been suggested created and led by youth with the help and guidance of the supportive adults at their library Many times librarians bring ideas to teens in hopes of getting them to buy in and perhaps help them to run programs In this book you'll primarily find a role reversal Tweens and teens lead the way with whatever adult information support and supervision they need to see their proposals through To accomplish this the youth are encouraged to create new ideas are empowered to make decisions and are given control Plus the ideas they bring to life are not just peer focused The programs activities and events they create and lead can be for children adults or even for all ages or mixed audiences as well as for fellow tweens and teens In addition to finding a wide array of proven ideas recommendations and testimonials from real tweens and teenagers you will discover helpful advice on using the philosophies behind allowing youth to not only have a say but to take action testimonials from adults who have worked directly with youth having this level of empowerment suggestions on getting approval and providing funding and other support for youth ideas ways to evaluate such youth led programs and sample forms flyers and other materials that can be adapted
