

When I leave "it" on the field, I don't just mean my sweat  
I could play with all my strength and still live with regret  
When I leave "it" on the field, I don't just mean my will  
I could garner all my might and be disappointed still  
When I leave "it" on the field, I don't just mean my spirit  
I could fight with all I have and coach would let me hear it

What I leave upon that field is my heart, indeed my soul  
It is everything I have in me dedicated to one goal  
I do my best in every play with my body and my mind  
And when I think I have given all, still more courage I find

Because my brother next to me seems to have some left  
So, I borrow from his reserve, but he will not count it theft  
Because our team is a family, some strong when others lack  
And just when all may seem a loss, my brother has my back

It's for the team I give my time, in practice and in the gym  
It's for the guy who needs my resilience, I do the work for him  
So, when I leave "it" on the field, "it" is all I have and more  
When we leave "it" on the field, we win, no matter the score

## **Good Football Banquet Speeches:**

**Football's Great War** Alexander Jackson, 2022-04-06 As modern football grapples with the implications of a global crisis this book looks at first in the game's history The First World War The game's structure and fabric faced existential challenges as fundamental questions were asked about its place and value in English society This study explores how conflict reshaped the People's Game on the English Home Front The wartime seasons saw football's entire commercial model challenged and questioned In 1915 the FA banned the payment of players reopening a decades old dispute between the game's early amateur values and its modern links to the world of capital and lucrative entertainment Wartime football forced supporters to consider whether the game should continue and if so in what form Using an array of previously unused sources and images this book explores how players administrators and fans grappled with these questions as daily life was continually reshaped by the demands of total war From grassroots to elite football players to spectators gambling to charity work this study examines the social economic and cultural impact of what became Football's Great War **The Round Table**, 1896

**Guide to Good Speech** James Howard McBurney, Ernest J. Wraga, 1960 **Return of the Football Fossils** Bob Hurt, 2000-03 After losing its entire football staff in a cyberspace cheating scandal at mid season Southwestern State turned in desperation to six former coaches who retired in the Phoenix area These recycled coaches leaped at the chance to return to the game they loved and missed The six Dan Devine Frank Kush Darryl Rogers Chuck Fairbanks Al Onofrio and Jack Mitchell Never in their coaching careers had these six Football Fossils had as much fun as they did in Southwestern's final six games With no worries about job security and no hesitancy in expressing themselves the Fossils thumbed noses at alumnae busy bodies stuffy academic people spoiled players and obnoxious media representatives They delighted in running old trick plays they dared not use with their jobs on the line They validated an old axiom that nothing is new in football by borrowing frequently from strategy and speeches used in their heydays They won over doubting players and suspicious fans with their devil may care approach And they won games Heck they even took on college's ruling body the NCAA And they became heroes to the Geritol for lunch bunch *Onward to Victory* Murray Sperber, 2025-06-25 From the acclaimed author of *Shake Down the Thunder* Murray Sperber's *Onward to Victory* is a brilliant detailed and engrossing work of social history for not only sports fans but anyone interested in the development of modern American culture With the 1940 release of the classic film *Knute Rockne All American* the myth of the hero scholar athlete was born and with it came the age of big time college sports in America Drawing on a wide variety of sources including press accounts letters and diaries historical papers and interviews with many who were there Murray Sperber recounts how the myths created by Hollywood studios were embellished and codified by a hungry press infiltrating the collective unconscious with epic stories of players coaches and teams As college sports became a mainstay of popular entertainment they also were fertile ground for near fatal scandal ultimately giving rise to the modern NCAA Sperber vividly re creates the world of postwar America with its all powerful

radiomen its lurid press its growing prosperity and of course the infancy of television      The Power of Gratitude Patrick M. Garry,2023-04-13 The Power of Gratitude reflects on the experiences of Michael and Elizabeth Garry who became an inspiration in their community to reveal the secret to a life filled with the virtues we often consider unattainable Michael and Elizabeth demonstrated how true gratitude might be foundational to everything else the attribute that enables one to love without interruption serve without expectation persevere without anguish and find joy in every minute of life Gratitude is not just a thank you for a specific benefit it is a way of life Based on their lives a self improvement conference could be condensed to one sentence if you nurture an enduring gratitude and not just a thankfulness for particular events then you may find a deep joy as opposed to transitory excitements The lesson they taught find gratitude and you will find the person God meant you to be The Power of Gratitude also reflects on the divisiveness of contemporary society In ungrateful times there can be no social peace Rivalries fueled by resentments replace the unity and generosity that flow from a culture of gratitude But when gratitude dispels fear it can inspire the courage to live in a way that fuels future gratitude      **Well Built** Bob Buck,2015-08-04 Bob Buck has taken and compiled over ten years of beautifully written and well documented letters and emails filled with inspiring feedback knowledge and direction Through daily positive reinforcement of the values he holds most dear Bob has greatly impacted the numerous prosperous companies he s led Well Built Inspiring Stories from the Boardroom to the Frontline will challenge every leader s understanding of how employee relationships should be handled in order to build a healthy corporate culture      **War Football** Chris Serb,2019-06-26 During World War I American army camps navy stations and marine barracks formed football s first true all star teams competing against each other and top colleges while raising millions of dollars for the war effort More than fifty college football hall of famers dozens of future generals and two Medal of Honor winners would play for coach or promote military teams during the war including Dwight Eisenhower Walter Camp and George Halas In War Football World War I and the Birth of the NFL Chris Serb recounts a fascinating chapter of military and sports history He details three of the best but long forgotten seasons of American football when college amateurs mixed with blue collar pros on the field of play These games showed investors a lucrative market for teams of post collegiate stars and made players realize that their football careers didn t have to end after college Soon the barriers to professionalism began to fall and within two years of the Armistice the National Football League was born War Football explores for the first time this lost chapter of sports history and makes a direct connection between World War I and the founding of the NFL Seven future Hall of Famers led the charge of more than 200 military veterans who played in coached for and shaped the character of the young league Football fans sports historians and military historians alike will find this book a fascinating read      **Effective Speech: Complete Course** Harry Bainbridge Gough,Lousene Rousseau,Mary E. Cramer,Jacob Walter Reeves,1937      **The Quarterly Journal of Speech Education** ,1922      The X-Rays ,1913      **Boiled Peanuts and Buckeyes** Lee Holland,2006 A historical biography of one woman s survival through the Great
