

Agricultural Science

Grade 7

Week 4

Lesson 1

Topic: Careers in agriculture

Objectives:

1. For students to be aware of the various careers available in the field of agriculture
2. List career opportunities within each branch of agriculture
3. Differentiate between the production and non-production careers

Agricultural Careers

Many diverse careers are found in agriculture.

People working in agriculture play a hand in feeding the world sustainably.

Off-farm agricultural careers are important and integral to sustainability. The people in these careers do many things, such as:

- Improve efficiency in food production.
- Discover and help implement new best management practices to be used in agriculture.
- Educate and communicate to the public about the source of our food.
- Help minimize food waste and hunger.
