El Education

Grade 3 Module 3a Unit 3 Cattaraugus Allegany Boces:

Grade 3 EL Education, 2013-06 EL Education's ELA Curriculum combines rigorous standards aligned content with effective instructional practice. Developed by teachers for teachers, the curriculum draws on EL Education's 20 years of experience to engage teachers and students in active learning every day. It covers 160 days of instruction across a school year, developed down to the level of daily lessons and addresses a full year of English Language Arts instruction in four modules. Students get excited about learning through authentic texts, compelling topics, and ownership of their own learning. Teachers get a vision of the instructional practices that support a standards-aligned classroom and the tools to create it. Originally commissioned by New York State when EL Education went by the name Expeditionary Learning, the version of the ELA curriculum posted on New York's Engage NY website has been downloaded over 6 million times. This edition has been updated with alignment to nationwide Common Core standards and has been adopted by schools and districts in 43 states. Washington, D.C. Grade 3 Module 3A focuses on a deep study of the classic tale *Peter Pan*. Students consider the guiding question: How do writers capture a reader's imagination? Students look at *Peter Pan* through the lens of a writer, examining author's craft, specifically the use of dialogue and vivid language. They then write their own imagined scene about *Peter Pan*. The end of the module shifts students' focus to consider how readers share their own opinions about a book as they write an opinion piece about which character in *Peter Pan* most effectively captures their imagination and why. A complete set of materials for Grade 3 Module 3A should include the Teacher Guides 978-1683621621, one Student Workbook 978-1683620112 per student, and the required trade book for this module.
