The Fattening of America Eric A. Finkelstein,Laurie Zuckerman,2010-12-29 A guide to how America became the fattest nation and how the food industry and the government keep it that way In *The Fattening of America* renowned health economist Eric Finkelstein along with business writer Laurie Zuckerman reveal how the US economy has become the driving force behind our expanding waistlines Blending theory research and engaging personal anecdotes the authors discuss how declining food costs especially for high calorie low nutrient foods and an increasing usage of technology which make Americans more sedentary has essentially led us to eat more calories than we burn off Praise for *The Fattening of America* Finkelstein and Zuckerman show that our entire society profits from making people fat and then either keeping them fat or making them thin again When you understand how these powerful forces work you can do a better job of resisting them and staying healthy

Jack Challem bestselling author of *The Food Mood Solution* and *Stop Prediabetes Now* Everyone who eats food in America must read this book It is a comprehensive guide to how we ve become the fattest nation on the planet and how the food industry in cahoots with the government makes us one of the least healthy nations

Fred Pescatore MD MPH CCN author of *The Hamptons Diet* The authors have done an excellent job talking to mainstream America about obesity It brings together all of the latest research and packages it in a way that is engaging for the average person I very much enjoyed the book and would recommend it for anyone interested in obesity Well done

James O Hill PhD Professor of Pediatrics and Medicine at the University of Colorado Health Sciences Center and author of *The Step Diet* Count Steps Not Calories to Lose Weight and Keep It Off Forever An important book for everyone interested in gaining a better understanding of the underlying causes behind the obesity epidemic and options for addressing it
