**The Rookie** Kendall Ryan,2024-12-06 A new sexy standalone from New York Times bestseller Kendall Ryan He has everything a man could want A lucrative hockey contract Adoring fans A family who loves him But he s about to throw it all away Logan Tate s name is dominating the headlines for all the wrong reasons Instead of goals and assists the talented young defenseman has been racking up fights

and suspensions I work with athletes who are struggling but Logan's different. He's not just going to blow his season but his entire career. And now he can't return to the ice until he deals with his issues but the stubborn man won't let anyone get close enough to help. Which is why I packed up and followed him to his family's property in the remote mountains of Colorado. He can't avoid me here. The only problem I can't avoid him either. He's chopping wood and building fires, rescuing my car from snowy ditches and inviting me to Sunday dinners with his loud extended family. He's a whole lot of man but beneath all those hard edges is an unexpected tenderness. Tempted or not, I have to stay out of his bed and get him back to the ice no matter how difficult that might be. This is a sizzling new romance in the Looking to Score series. Each book can be read as a standalone.

**It's Not What You Teach But How** Nancy Sulla, 2015-05-15 How do we prepare students to become problem finders, innovators, and entrepreneurs who can thrive in a global society? The Common Core charts a pathway to success, yet we know that checking off each standard one by one will not achieve the kind of results we want. This powerful book by bestselling author Nancy Sulla has the answers. She explains how teachers can bring students to deeper levels of learning by shifting from the *what* to the *how* of the CCSS. She offers seven insights that you can use to teach the standards in a more meaningful way to bring all of your students to true understanding and application. You'll uncover how to incorporate ends-based teaching to ensure that the instructional focus is on the ultimate goal of each standard and not just on the basic skills. Encourage grappling with content through structured techniques such as problem-based learning.
