

The background of the book cover is an abstract composition. It features a series of bright, golden-yellow light rays that originate from the upper left and fan out towards the right. In the upper left corner, there is a complex, three-dimensional geometric structure made of translucent, golden-brown planes that intersect to form a series of triangular and quadrilateral facets, resembling a modern architectural design or a crystalline form. The overall color palette is dominated by warm tones of gold, orange, and brown, with a dark, almost black, background that makes the light rays and the geometric structure stand out.
