Gopro Karma Drone: Learning the Basics Michael Galleso, 2016-10-20. The GoPro Karma Drone is the first foldable drone. The announcement was made in December of 2015, but the long awaited GoPro is not yet up for purchase until October of this year. It is lightweight and easy to use when compared to other drones currently on the market. It is a professional grade drone that can be used by anyone and comes with its own backpack. In addition, the GoPro Karma drone requires no assembly; simply remove from the backpack, unfold the propeller, and you are ready to use. The parts can be easily replaced if damaged, and the GoPro Karma is able to stand up to everyday wear and tear.

Social and Solidarity Economy Sara Calvo, Andres Morales, Yanni Zikidis, 2017-06-26. This book aims to provide the reader with an insight into the relevance of a section of the economy which is often referred to as the social and solidarity economy (SSE) and highlight some of the current issues in the field, how they are being addressed, and some of their future implications. Using case studies from around the world, this book, *Social and Solidarity Economy: The World's Economy With a Social Face*, provides an up to date account of the strengths and weaknesses of these initiatives across four continents, including issues that have not been researched sufficiently before, e.g. circular economy, social

propaganda and its dangers social enterprise as a panacea for NGOs in developing countries and new social movements There is growing interest in SSE initiatives among policymakers foundations researchers and academic institutions around the world Despite this interest SSE related research remains scarce There are concerned that SSE initiatives which contribute significantly to their local communities development need to be more widely disseminated amongst the general public The Social and Solidarity Economy The World s Economy With a Social Face will help promote the ground breaking work being done by organisations and individuals but which remain undocumented and help to raise awareness of such initiatives as well as contribute to academia with a critical approach to the sector covering issues that have not been covered much before such as the circular economy and the dangers of social propaganda Aimed at researchers academics and policy makers in the fields of Social Enterprise CSR Tourism International Economics as well as supporting disciplines Social and Solidarity Economy The World s Economy With a Social Face looks to establish and help define the field

Time Lapse Photography, Long Exposure & Other Tricks of Time John Carucci, 2016-03-21. In the newest entry in Peachpit's popular From Snapshots to Great Shots series, photographer John Carucci shares amazing techniques for creative time related photography techniques including long exposure, time lapse, and high speed photography. Carucci starts by reviewing your equipment needs including filters, image stabilizers, tripods, monopods, beanbags, etc., software, and more. Next, he explains the basics of long exposure photography, demonstrating how to effectively capture time in nighttime cityscapes, photos of the night sky, and in brighter light using neutral density filters. Along the way, you'll learn the fundamentals of blurring, shooting in RAW, and balancing flash and ambient light. He then walks through the essentials of time lapse photography, how to regulate your camera's motion, determine the best duration to use, and use software to perfect your images. Carucci's time lapse section is complemented with a complete online video tutorial on capturing effective time lapse sequences. You'll also find expert coverage of high speed photography, including choosing shutter speed, stopping action with flash, shooting sports, and more. Carucci concludes by helping you develop and perfect your own aesthetic with tips on properly framing your scenes, creative composition, and effective use of color and tone. Time Lapse, Long Exposure, and Other Tricks of Time features beautiful full color images, clear design, and John Carucci's friendly, knowledgeable voice. It's a pleasure to learn from, and if you've ever wanted to master any of these techniques, it's the guide you've been waiting for.
