Inspirations Daily

Turn your worries into
prayers,
and let
God's peace
fill your heart.

Do not be anxious about anything,
but in every situation, by prayer and
petition, with thanksgiving, present
your requests to God.'

Inspirations From The Heart Of God:

Inspirations From The Heart Of God Kelley M. Wesley, 2009-05 Inspirations From The Heart Of God is a life changing book that will inspire encourage and uplift It will make you think and see things very differently then before Inspirations From The Heart Of God is a book that anyone who reads it would want in their collections of wonderul reads It is a book that an individual will gladly pass down from generation to generation **Inspirations of the Heart Volume 30** Ollie B. Fobbs, Jr., 2016-11-01 Inspirations of the Heart is a work that has taken me from ready to go into the Grave to ready to take the Nation and pull down the Kingdom of God you see many of you will never know what others are dealing with even in these words locked inside of these pages the full revelation is not revealed Truth is the evidence that breaks the yokes of bondage that corrupts us and our well being Life on the general terms and conditions are focuses in on the reality factors of do we really have this love thing going on within our lives Inspirations of the Heart is sub titled from a heart of Love now listen this for me did not come over night yes I was born into this love thing I was raised in this love thing then life hit again and again and again and I found myself at the gates of hell like three different times and I know you say things like if this is true why should I care maybe because If the Lord kept me from this couldn t He do the same for you There are many misconceptions in life and no this book does not reveal all of the answers but it does reflect on a few Life is like a very special gift and once it is gone it is gone the Bible tells us that we should never trust our Heart which means the heart of flesh which also mean the heart of corruption but seek the Lord with your whole heart which is your spiritual heart see you have heard and used the comment I KNOW THAT BY HEART that is the spiritual heart and this is what makes this writing so unique Many preachers are teaching that the Lord God is not talking to us in the this day and time I fail to agree with that God in the form of Jesus Christ if your Heart is submitted to Him and the Kingdom of God then Christ the Lord or the Spirit of Christ lives on the inside of our heart again this is the Spiritual Heart this is the place where all forms of corruption or Faith is built and maintained so then as the heart believes the mouth speaks that is based on what you listen to what is poured into your thinking is then applied as faith and that faith is then applied as the fullness to what you think and how you think on a number of issues including how you pick friends and spouses inspirations of the Heart is about fulfilling the destiny of God in our lives not through direct teachings of the scriptures but indirectly in how we then apply life to our everyday situations

Inspirations of the Heart Volume 31 ~ The Predication of Gods Law Ollie Fobbs, 2017-01-13 Inspirations of the Heart Volume 31 is about the predication of Gods law The thing that we miss concerning this is The Laws of mankind will one day pass away but the Laws of God are for eternity Eternity is something that all of us have to face at some point we will deal with it in the Kingdom of God or we will deal with it in constant condemnation When I received the assignment to write this it was a challenge that I did not want to under take mainly because I thought of other things I would rather be doing then a Children s Choir from Africa did a concert at our Church and these kids taught me something that I had never seen nor heard

before at that moment I knew that I had to get this done The predication of Gods Law is a slight teaching book but not a study guide to Gods law this book is mainly poetry and it is dedicated to Gods law that we the people of God come clean that we can finally rejoice together *Inspirations of the Heart 10* Rev. Ollie Fobbs,2014-01-21 This is the tenth book in this series there are only two more that I know of to write Inspirations of the Heart came to me as a statement once that has kept me alive some thirty plus years it was a simple word but one given as a statement to say live and not die so through that inspired moment I learned to pass that on to others **Inspirations of the Heart Volume 43~Cast Your Cares** Ollie Fobbs,2018-12-20 Inspirations of the Heart and Life s a Beach are two of the titles that have made my life more interesting I have stated that Inspirations of the Heart is one of the things that helped save my life and on several occasions I have spoken to others concerning this however what I was going through is no longer a part of who I am Life s a Beach is about the stories that unfolded while my wife and I were on vacation at a certain Beach after a major hurricane had just rolled through on the way we took note of drastic devastation and heartbreaking moment and upon finally getting there I felt compelled to write it all down Inspirations of the Heart now consist of many poems and what I call words to phrases passages Everything that is placed in the work is from the inner calling of Inspiration I also know that many do not believe that the Lord or the Spirit talks to us today but that would make the scriptures not truthful the main idea is that life is to be lived and enjoyed while we still can Inspirations from the Heart Mary Loraine White,2007-06-01 **Inspirations of The Heart 12** Rev. Ollie Fobbs, *Inspirations of the Heart 15* Rev Ollie B Fobbs Jr,2014-12-26 Inspiration is more than a word that says you need to hear from God no inspiration just like many other things has a good side and a bad side so it comes to us either from God or ot comes to us from the devil or his demons this is why the Bible tells us to try the Spirit by the Spirit and that when it comes their fruit will reveal them theis is also why the Apostle Paul said that WHEN THE SPIRIT SPOKE UNTO ME I CONFIRMED IT WITHIN MY SPIRIT I CONSULTED NO MAN but at the same time he also didn t consult the witches and warlocks and the spirit of darkness seekers we call them fortune tellers today There is great power in the format of Inspiriation especially Inspiration from the Lord to get this depends on our will to be obedient to what was heard this is why so many can t hear what was said the other side of it is this many that hear it don t want to participate in the things of God so they use sinful thinking to block out the voice of God This is why in all of the LEFT BEHIND movies they all put pastors in them that did not make the cut with God most of them want you to get it but they themselves have their mind on other things This is not about bashing anyone it is about listening to God the Lord is speaking and he does so each and everyday he won t pull you by your hair pull you to the ground and make you listen even though he very well could it happened several times in scripture my most favorite of course was Paul my second favorite was ther donkey that saw the angel and the prophet did not The dictionaries will all tell you what they feel real and true inspiration is but in essence real inspiratiuon comes from the heart and mouth of God in the days of old to hear this you were called a prophet but when Jesus came his point was that all of

us should be able to hear the voice of God which was revealed in the life of Peter when Jesus asked WHO DO YOU SAY THAT I AM and he gave a response that Jesus said did not come from within himself but from the mouth of God So Jesus wants us all to have a personal relationship with the Father his calling unto his Father was said to be Yhwy but when he went to teach it unto us he changed it saying when you call him use ABBA meaning Holy Father We still have to so choose to want to be a part of this God will not make you choose but the warning that he left us was if we have not chosen by the time we stand before the Lord Jesus then we could be facing the fire of the sea that burns forever That is not what God has for us he wants us to be with him forever and many hundreds of trillions of years to come many that don't make it on this go round will get a second chance but why wait for that because you still might not make it the Bible is clear that billions will not make it in but that is because they trust in the things and inspiration of the spirit of darkness I have found something different concerning faith there are two kinds of faith and Jesus talked about these and used them on several people and groups of people that he talked to during his stay here they are the God kind of faith and the faith called worldliness or sinful faith Now we go to school the purity of faith faith in itself is translated in many different ways but the one way we have not discovered yet is this one and it's the only one I will talk about Purity of faith is like the faith that you have with a close family member or someone you trust with your life this kind of faith is so clear that the tiniest thing can't hinder it not even the greatest thing can bring it down something that is pure cost more than anything else for example there are two types of pure honey one is called pure meaning purified and the other is called raw To have pure faith means that you literally block out of your spirit the things that can cause your spirit damage like porn lying stealing and that sort of thing

Inspirational Heart James

Hardimon, 2021-06-30 The three volumes of Inspirational Heart were written motivated and inspired by scriptures 2 Timothy 3 chapter verses 16 17 and Oprah Winfrey on her last going off the air speech She said If you believe God gave you a job and purpose in life then you should basically put all your heart mind strength power and body in to it With that said I put all my fibers and molecules to the atom into completion of these three volumes for God and all the people to be touched by this inspirational power of truth Many valuable sources have revealed and believe there is power in the number 3 and this is why I vowed to write three volumes These books consist of the power of God showing you your life naturally and spiritually in reference of the past present and future of your life as well as operating together naturally and spiritually with fusion science biology math geometry chemistry psychology alchemy etc One like the son of man with flaws like Moses I am that I am with a strong Revelation revealed to me by the Lord and our God the head of days on how to explain and share with the readers viewers and followers more in detail how it was revealed to me how to go about experiencing and seeing His divine words of understanding knowledge wisdom insight Revelation and power connected to Inspirational Heart Volumes 1 2 and 3
