**An essay concerning human understanding. To which are added, i. An analysis of mr. Locke's doctrine of ideas [&c.].** John Locke, 1818 Child's Conception of Number Jean Piaget, 2013-07-04 First published in 1997 This is Volume II of selected works of Jean Piaget which looks at his thinking on children and how their interaction and perception of number touching on the areas of development in thinking on conversation of quantities and invariance of wholes cardinal and ordinal one one correspondence as well as additive and multicative compositions These explorations look into tracing the development of the operations which give rise to number and continuous quantities to space time speed etc operations which in these essential fields lead from intuitive and egocentric pre logic to rational co ordination that is both deductive and inductive

It Is the Same Light Daljit Singh Jawa, 2015-03-28 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the worlds fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankinds religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the It Is The Same Light series SGGS pages 801

1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurumukhi history or context The following are some of the comments received on the volume 7 pages 1201 1430 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru jis message Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Jis message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granths many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general Barry Crawford Ph D Washburn Univesity Topeka Kansas **The Same and Yet So Different** Lesia Lipz,2014-05 An easy read Autobiography about events that took place in my life from childhood to adulthood that caused me to develop another personality named Tish who was the dominant one She loved using her body to get men to give her all her wants needs and desires Being loved is all Lesia wanted and Tish made her believe that she was the only one who did Up until Leon came back into my life and revealed a dark secret from over thirty years ago *Making Words, Grade 2* Patricia M.
