Wong, 2020-02-18 This book evaluates the views of different ethnic groups towards the English language in Sri Lanka for a period of almost two centuries While a few studies have addressed the subject of English in Sri Lanka in a general way there has been no research showing the specifics of English usage in the major ethnic communities of the country This text considers notions and attitudes towards English that prevail in Sri Lanka today among writers language planners teachers and students habitual speakers and infrequent users as well as elite and non elite groups in the country The book also examines colonial and postcolonial writings in three communities namely the Sri Lankan diaspora and the Tamil and Sinhala communities **Problematic Identities in Women's Fiction of the Sri Lankan Diaspora** Alexandra Watkins, 2015-06-02 Women novelists of the Sri Lankan diaspora make a significant contribution to the field of South Asian postcolonial studies Their writing is critical and subversive particularly concerned as it is with the problematic of identity This book engages in insightful readings of nine novels by women writers of the Sri Lankan diaspora Michelle de Kretser's *The Hamilton Case* 2003 Yasmine Gooneratne's *A Change of Skies* 1991 *The Pleasures of Conquest* 1996 and *The Sweet and Simple Kind* 2006 Chandani Lokug's *If the Moon Smiled* 2000 and *Turtle Nest* 2003 Karen Roberts's *July* 2001 Roma Tearne's *Mosquito* 2007 and V V Ganeshananthan's *Love Marriage* 2008 These texts are set in Sri Lanka but also in contemporary Australia England Italy Canada and North America They depict British colonialism the Tamil Sinhalese conflict neocolonial touristic predation and the double consciousness of diaspora Despite these different settings and preoccupations however this body of work reveals a consistent and vital concern with identity as notably gendered and expressed through resonant images of mourning

melancholia and other forms of psychic disturbance This is a groundbreaking study of a neglected but powerful body of postcolonial fiction This is an excellent study that I believe makes a significant and timely contribution to the fields of postcolonial literature Sri Lankan anglophone literature diasporic literature women s studies and world literature It was a stimulating and thought provoking read Dr Maryse Jayasuriya The University of Texas at El Paso Flawsome lives in India: Embracing the Chaos with laugh and wink Pratyaya Jagannath,2025-02-22 Imagine a world where delivery drivers are celebrated as national heroes potholes become the stuff of urban legends and barbershops transform into the ultimate arenas of philosophical debate Welcome to a realm where pandemonium takes the throne chuckles are your best defence This collection of satirical short stories is a wild ride through the quirks of everyday life in India where the ridiculous collides with the clever From delivery mishaps that could compete with ambulance dramas to homefront skirmishes waged with unparalleled cleverness these stories humorously highlight the oddities of a country that flourishes amidst its own contradictions Dive into a realm where mosquitoes operate blood banks spiritual gatherings turn into marketing seminars and gender revolutions ignite thanks to government giveaways With a keen sense of wit and clever satire these tales peel back the layers of absurdity making you laugh squirm and relate all at once Ideal for those who appreciate witty observations and enjoy chuckling at the absurdities of life this book is a tribute to the tenacious eccentric and endlessly inventive nature of everyday champions both large and small Prepare yourself for a good chuckle and a fresh wildly amusing perspective on the world How Smart are Cities without Adequate Finances? Simanti Bandyopadhyay,Firdousi Naher,Aishna Sharma,2022-06-14 This book compares urban finances in cities located in two different South Asian countries and assesses their fiscal health It uses simulation to estimate the required augmentation in financial resources by the urban local bodies ULBs to reach a level of city development that is significantly better compared to existing levels The book provides a systematic analysis of the fiscal health of two city corporations in Bangladesh viz Dhaka North City Corporation DNCC and Dhaka South City Corporation DSCC and one city corporation in the Indian state of West Bengal viz Kolkata Municipal Corporation KMC The choice of city corporations was based on the shared history and the similarity of heritage culture topography and socio economic conditions Both DNCC and DSCC as well as the KMC have a high population density which puts immense pressure on the service delivery provided by these corporations of basic services such as water supply sanitation facilities street lighting drainage and sewerage and waste disposal This is compounded by poor fiscal health of the ULBs Using primary data collected through surveys and personal interviews and information obtained from official documents the book estimates fiscal gaps of the ULBs and undertakes simple simulations to estimate potential revenue enhancements and expenditure requirements to deliver services at the internationally acceptable standards It highlights under exploited sources of revenue which can be better realized and also identifies untapped revenue sources that can be easily introduced in order to significantly enhance city revenues The book is an excellent resource not only for researchers

studying this topic but also for policy makers and urban planners particularly those from developing countries having to deal with burgeoning cities with high migrant population density

Patrick White Centenary
 Bill Ashcroft,Cynthia vanden Driesen,2014-08-20 This volume marks the birth centenary of a giant amongst contemporary writers the Australian Nobel prize winning novelist Patrick White 1912 1990 It proffers an invaluable insight into the current state of White studies through commentaries drawn from an international galaxy of eminent critics as well as from newer talents The book proves that interest in White's work continues to grow and diversify Every essay offers a new insight some are re evaluations by seasoned critics who revise earlier positions significantly others admit new light onto what has seemed like well trodden terrain or focus on works perhaps undervalued in the past his poetry an early short story or novel which are now subjected to fresh attention His posthumous work has also won attention from prominent critics New comparisons with other international writers have been drawn in terms of subject matter themes and philosophy The expansion of critical

attention into fields like photography and film opens new possibilities for enhancing further appreciation of his work White's interest in public issues such as the treatment of Australia's Indigenous peoples human rights and Australian nationalism is refracted through the inclusion of relevant commentaries from notable contributors For the first time in Australian literary history Indigenous scholars have participated in a celebration of the work of a white Australian writer All of this highlights a new direction in White studies the appreciation of his stature as a public intellectual The book demonstrates that White's legacy has limitless possibilities for further growth
