My Bible Says the Darndest Things Pricely Francis,2016-08-12 Listening to the Bible is exponentially more powerful than reading it You pick up on fascinating curious and alarming things you miss when you read it The serpent in Eden told the truth Cain married a wife and built a city with a global population of only three people women are sexual predators disabled people desecrated Gods temple the earth went into a counter revolution God approved polygamy and recommended slavery a runaway slave got converted to Christianity and was promptly sent back to his slave master the soon and imminent coming of Jesus is 2000 years over due As the author listened to his Bible and compared what he heard with what is deemed appropriate reasonable and civilized in this modern era he could not help but conclude that his Bible does say the darndest things
