Ella Enchanted Discussion Guide:

Ella Enchanted Patty Cheyenne, 2004-01-01 Use Novel Ties study guides as your total guided reading program. Reproducible pages in chapter by chapter format provide you with the right questions to ask the important issues to discuss and the organizational aids that help students get the most out of each book they read. *Ella Enchanted [by] Gail Carson Levine* Patty Cheyenne, 1999 Suggested activities to be used in the classroom to accompany the reading of *Ella Enchanted* by Gail Carson Levine. **Ella Enchanted by Gail Carson Levine** Elizabeth Klar, 2000 In this novel based on the story of Cinderella, Ella struggles against the childhood curse that forces her to obey any order given to her. **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie, 1915 An author subject index to selected general interest periodicals of reference value in libraries. *Readers' Guide to Periodical Literature*, 1915. **Reading Raps** Rita Soltan, 2005-12-30 Book clubs are sprouting up all over and so are book club guides, but not all book club guides are equal. Many focus on a specific type of book club or they take a generic approach of one size fits all and most do not take into account the special needs of librarians and educators working with young readers. This guide has it all and it will help you ensure that your book club meetings are both fun and educational. Focusing on children in grades 3-8 and their families, the book offers 100 ready-made book club instructions for popular children's and YA titles from newer releases such as Theresa Nelson's *Ruby Electric* and Blue Balliett's *Chasing Vermeer* to perennial favorites and award-winning classics such as Johanna Hurwitz's *Much Ado about Aldo* and Gary Soto's *Baseball in April* and *Other Stories*. Along with thought-provoking discussion questions, you'll find all the background information you need to conduct lively book discussions with a variety of readers: plot summary, themes, and characters description, genre, reading level, author and award information, related reads, and more. The guide describes four types of family-oriented book clubs: family, mother-daughter, father-son, and readers rap, as well as a book club for kids only. The author provides practical instructions for making each type of book club successful. For each title, she provides a plot summary, characterization sketches, questions to use for provocative discussion, and follow-up bibliographies on similar reads. Notes on genres, themes, and reading levels are also provided. The selected titles reflect some of the best, most current, and most popular children's literature. In addition, a broad scope of genres and multicultural titles are included. Perfect for public library programs and after-school book clubs, this is a one-stop resource with practical, ready-made plans that can easily be adapted to multiple environments. Grades 3-8. **Ella Enchanted Reading Guide** Saddleback Educational Publishing, 2006-09-01 Struggling readers frequently lack basic reading skills and are not equipped with the prior knowledge and reading strategies to thoroughly engage in the classroom literature experience. Give your students the background and support they need to understand and enjoy literature.
