Behind Closed Doors in White South Africa D. Russell,1997-10-15 The intent in this book is to tear away the veil of secrecy that surrounds incestuous abuse in white South Africa by presenting five in depth personal accounts of this heinous form of sexual exploitation as told by the survivors Each of these accounts includes an analysis of important incest related issues raised by the survivor s story Another objective is to explore the connections between the often cruel sexual exploitation of girls by their white male relatives and the brutal exploitation of black people by white men in South Africa
