Rules of the Road for Nonprofit Leaders Elizabeth M. Schmidt,2025-08-01 A reframing of the legal profession for nonlawyers aiming to lead nonprofits more effectively Although the United States has the most robust nonprofit sector in the world the rules governing it are convoluted and often paralyze those who are trying to change the status quo Nonprofit leaders deserve rules that are clearly laid out explaining what they can and should do to achieve their missions rather than emphasizing only what is forbidden Rules of the Road for Nonprofit Leaders offers a translation of the nonprofit legal framework into terms that can be more easily understood by nonlawyers Schmidt provides a

different lens through which nonprofit leaders can see more clearly how these laws can be more responsive to the changing needs of the nonprofit sector and of society This book shows nonprofit leaders board members and volunteers how nonprofit law relates to all aspects of nonprofit management

Microfinance 3.0 Doris Köhn,2013-12-02 This book focuses on the achievements current trends and further potential of microfinance to scale up and serve many more clients with financial services that enable them to improve their living conditions The book asks what it takes to achieve sustainable impact to know your clients and to understand their needs to treat them in a fair and transparent way and to safeguard the synthesis between the financial and social dimension of sustainable microfinance The book also sheds light on the future funding landscape and what is necessary to bring more commercial funders on board while ensuring that these new funders will continue the commitment to responsible finance While being forward looking the book reflects the debate on core values of microfinance triggered by recent criticisms of an approach that was hailed as a panacea in the beginning and which had proved over time as one of the most effective models of development finance These criticisms emerged over signs of overheating in some markets particularly the 2010 events in Andhra Pradesh and turned into an assumption of a worldwide microfinance crisis putting seriously at stake the good reputation microfinance had enjoyed so far
