About the Novel: *Freak the Mighty* is a story about two unsuspecting friends coming together and showing the world how special they are. Maxwell is big and scary. He is also kind and thoughtful. Kevin is small and weak. He is also smart and creative. These two boys are seen as dangerous and pitiful by those around them. It's not until they come together to become *Freak the Mighty* that people start seeing them for who they really are. Max lives with his grandparents after his mother died, and his father was sent to jail. Kevin just moved in next door with his mother. As outsiders, Max and Kevin build a friendship. They both bring to the friendship something that is missing: Max brings strength and Kevin brings smarts. The two embark on many adventures that soon develop into real dangers.

The Mighty Head Udit Mishra ,2022-10-12 The Mighty Head by Udit Mishra is solely based on a teenagers life who had a lot of challenges and obstacles thrown her way while she confronted baldness at the age of 11 This book helps shatter all the stigmas that are present in the society and which give people a hard time in order to confront their true identity The society is a place where people are expected to act a certain way and look a certain way if not then they are never accepted as a whole While Udit writes this book she deals with all the issues that she faced growing up and explains to people how it s ok to be ok in your own skin and how it is not a requirement to perceive yourself based on what others think you should look like or act like She also talks a lot about Alopecia as a disease and how people who are friends with someone who has a disease which is visible should talk to not make it awkward or uncomfortable for the other person The name the Mighty Head originated from Udit Mishra s Ted talk where she for the first time felt confident in talking about her Alopecia and this title means a lot to her as being a bald girl has been difficult and knowing that stepping foot outside the house and having people stare at you or even ask you questions about your disease is scary because even when you don t try to draw any attention to yourself you still end up doing that because you are a girl and you are bald Therefore mighty head signifies how I have felt with a lot of unwanted attention and turned it into something positive
